

IESA Regional Entry Form Instructions

All regional entry forms will be filled out online by accessing the IESA Member Center from the IESA website (www.iesa.org). Below are the instructions for inputting your regional roster information. It is important that you complete all portions of the form. This information will be used to check your team's compliance with the by-laws throughout the state tournament series. In addition, the IESA will use this information for the state programs. **PLEASE SPELL NAMES CORRECTLY AS THAT IS HOW THEY WILL APPEAR IN THE PROGRAM SHOULD YOU ADVANCE TO THE STATE TOURNAMENT.**

THIS FORM MUST BE COMPLETED BY SEPTEMBER 4, 2018.

1. ACCESSING THE FORM

- Go to the IESA website (www.iesa.org) and click on the red Member Center login button located near the top left hand side of the home page. There will be two log in screens---one for IESA member schools and one for officials. Be sure to use the log in for IESA member schools.
- Choose your school from the drop-down menu and enter your password. You will need to get your password from your school's A.D. or principal. After choosing your school from the drop down menu and entering your school's password, click on "Click here to log in".

Choose your school and enter your password to log in.

The screenshot shows the 'IESA Member School Login' page. At the top, it says 'Administrators, coaches, directors, concussion test log in here.' Below that, a yellow box contains the text 'Choose your school and enter your password to log in.' There are two input fields: 'School' with a dropdown menu showing 'Choose City/School' and 'Password' with an empty text box. A 'Click here to log in' button is located below the password field. A red box with an arrow points to the 'Click here to log in' button, with the text 'Click Here' next to it. Another red box with an arrow points to the 'Password' field, with the text 'Enter your school's Password here' next to it. At the bottom of the page, there is a link that says 'HELP!
