

SECTIONAL/STATE GOLF CART POLICY

PARTICIPANTS

Participants may not use caddies, motorized golf carts or motorized pull carts during the state series. Participants may use manual pull carts. Coaches, spectators, and parents may not carry golf bags for participants at any time. A written request for an accommodation for a student-athlete to use a motorized golf cart must be submitted to the IESA by the student's principal by the online roster deadline. Golf carts are not to interfere with play and must adhere to tournament policies. If approved, the player shall ride with the observer and not drive the cart.

COACHES

Sectional: Coaches may purchase golf carts at the sectional tournament.

State: Head coaches may rent a cart if they have 3 or more golfers or if they are the head coach for both the boys and girls teams and have a combination of 3 or more boys and girls golfers.

SPECTATORS

Sectional: Spectators may purchase carts on a first come first serve basis at the sectional tournament.

State: Spectators with a permanent and official disabled parking placard/sticker may rent a cart at the state tournaments. Those approved for a cart must stay on cart paths and designated areas and not give competitors any assistance. Letters from doctors or visible injury will not warrant a golf cart without the presentation of an official placard at the state tournament.
