I. PLANNING

A. Volleyballs

1. Inflate the volleyball sent to your school and use the ball so the newness wears off prior to regional, sectional and state finals matches.
2. Provide two (2) ball carts with a minimum of 15 inflated volleyballs for warm-ups.
 - a. Hosts that are unable to provide this requirement must notify participating schools prior to arrival that they should bring balls for warm-ups.

B. Scorebooks

1. Regional and sectional hosts will need to provide an official scorebook.
2. State finals hosts will be provided with two scorebooks from the IESA.
 - a. The IESA administrator at your site will take the scorebook from the table after each match to update stats on the website - the official scorer will rotate the scorebooks between matches.
 - b. At the conclusion of the state finals, the IESA administrator will take both scorebooks.
3. In the volleyball state series, it is recommended that each competing team keep a scorebook. The individual keeping the team scorebook must be a minimum of 17 years old and must be seated at the score table if room allows. If space is not available, this individual must sit in the immediate proximity of the score table during the match. Immediate proximity is the first seat on the bench closest to the score table or in a seat next to the score table.
 - a. In the event that there is a discrepancy between the visible score and the official scorebook, the match officials will compare the scorebooks of the competing teams with the official scorebook to determine an appropriate correction if applicable.
 - b. If after examination of all scorebooks the match officials cannot determine an appropriate correction, the original record of the official scorebook will be considered official and correct.
 - c. The judgement and/or decision of the match officials cannot be protested.

NOTE: It is recommended that all competing teams keep a team scorebook, regardless if they are hosting the contest. In this case, it is required that the host school provides an individual to record the official book and it is recommended the host also has an additional individual to record their own team book.

C. Workers/Volunteers

1. You should have ticket gate staff, concessions workers, an official scorer, scoreboard operator, libero tracker and an announcer.
 - a. The official scorer must wear a black and white striped official's shirt so that he/she is easily identifiable and this individual must be at least 17 years old.

- b. A libero tracker is required and this must be separate from the official scorer, he/she must be at least 17 years old and should be seated next to the official scorer.
2. Workers may not use electronic devices when working at the scorer's table.
3. Providing team escorts to each school participating can help them navigate the building and have any questions answered.

D. Parking

1. Make sure that all those attending know what the parking options are for your facility.
 - a. Take the following into consideration - buses, fans, officials, parking personnel, parking signage, and emergency vehicle access; communicate where buses should drop off participants and student fans as well as where buses should park.
2. Officials' parking should be near the door they will use to enter and exit the facility.

E. Lockers

1. Communicate with the schools about the availability and security of locker rooms.
 - a. Prior to their arrival, let schools know which locker room they are assigned to and if these locker rooms are not secure, let schools know to keep personal belongings at their bench.
 - b. State your school policy regarding the security of the locker areas to all schools prior to their arrival.

F. Photography, Official Apparel and Program Sales - State Finals Hosts Only

1. Event Pro Photography is the state finals photographer. Contact Ken Brooke for his arrangement needs prior to the state finals - kenbrooke@eventprophotography.net.
 - a. Usually, the photographer will need a classroom/space with access to electricity where team photos can be taken. All teams will take a picture prior to their first match on Friday - upon arrival, notify teams as to when and where their picture will be taken.
2. The Cubby Hole is the IESA apparel vendor. Contact Paul Boente for any needs they have prior to the state finals - paul@cubbyholeonline.com.
 - a. You will need to make space available for The Cubby Hole, preferably in a high-traffic area (i.e. near concessions, main hallway). They will need three 8' tables and access to electricity both days of the state finals.
3. Official Program Booklets
 - a. These will be brought to host schools by the IESA administrator.
 - b. The cost for the programs will be added to the financial report form by the IESA.
 - c. Programs are sold for \$5.00 - keep program money separate from ticket gate money.
4. Any outside vendors must be approved by the IESA office at least one month prior to hosting. Approved outside vendors need to provide customers with their contact info.

G. Crowd Control and Security

1. While the host school for any activity must assume primary responsibility for the physical management of the activity, including providing for crowd control, this is a mutual responsibility between the host school and the schools participating in the contest; visiting schools must also take such measures as necessary to ensure proper behavior on the part of their own students and spectators.
 - a. Host schools should communicate with participating schools about whether or not a school administrator or school representative (other than the coach) will be in attendance.
2. Be an active supervisor, try to anticipate problems, address them and act quickly on complaints.

H. Facility Signs, Concessions, Hospitality and Other Provisions

1. Provide signs to direct fans, coaches, officials, and players - concessions, merchandise and photos (state finals only), restrooms, ticket gate and programs, locker rooms, parking, specific seating areas for schools in bleachers, hospitality room, and indicating your policy on food/drink in the playing area.
2. Communicate with schools about the availability of concessions for purchase and hospitality. The hospitality room should be for administrators, coaches, bus drivers, officials, IESA personnel, and spouses; however, host management can define those who may use the hospitality room.

- a. For regionals and sectionals, a hospitality room is not an allowable expenditure on the financial report form.
- b. For state finals, hospitality is an allowable expenditure on the financial report form.
3. Communicate to schools if you will or will not be providing towels, on-site training staff, water at the team bench and/or team escorts.

If the administrator for any participating school determines the team cannot reach the host school site or if the tournament manager makes the decision that all contests scheduled on a given day shall not be held because of weather, the host school shall reschedule the matches and adjust the remainder of the playing schedule as necessary.
 - 1. The IESA will make this determination of rescheduling due to weather for the state finals.
 - 2. If you have to reschedule due to weather, make sure those changes are reflected online. Additionally, notify the IESA that your tournament schedule has been changed.
