IESA MUSIC

There are 11 Solo & Ensemble Contests and 9 Organization Contests held annually throughout the state.

Typically S&E contests take place in late March or early April and Organization takes place in late April or early May.

Judging is conducted by adult judges and performances are evaluated with adjudication criteria for each event. Judges offer valuable suggestions and encouragement to each contestant.

Each student gets the chance to compete to their full potential. All participants have the chance to earn the highest rating. Most importantly, each contestant is given a chance to express themselves through their music and bolster their self-confidence.

HOW TO BECOME A MEMBER OF THE IESA

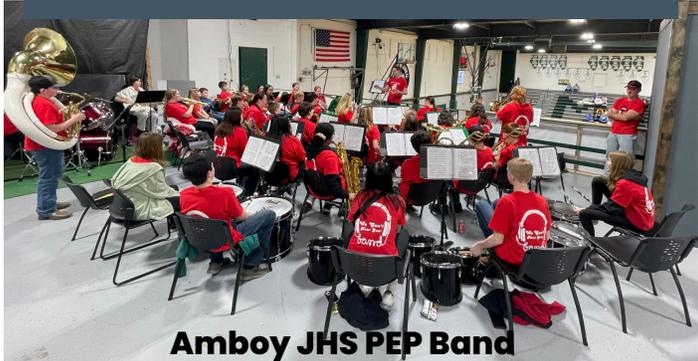

Membership in IESA is open to all elementary, middle and junior high schools in the State of Illinois who are recognized by the State Board of Education. All member schools are eligible to participate in the activities of Music Solo & Ensemble and Music Organization events. To inquire about the activities of Music, please call the IESA office or access our website at www.iesa.org. The Music entry deadline is in the beginning of February every year.

The music contest rules are fair for all groups...even less-experienced ensembles. The IESA gives you the flexibility to choose the music which best fits the instrumentation and participation numbers in your group. Whether your band is developing or highly proficient, the IESA music contests are right for you. If your school already pays the IESA membership dues, why would you pay twice by joining another organization?"

David Conrad, Former Principal, Manteno Middle School

"Participation in IESA Music contests has greatly improved our program. Solo and Ensemble contest gives our students that "spark" to improve their playing and creates in them a strong desire to excel. Organization contest gives us a barometer of where our program stands compared to those in other districts. We enjoy the preparation, the performance. and the sense of reward it gives us in our accomplishment. I couldn't imagine not participating in these contests...it's what drives our program.
