Current: Teams are limited to 22 games.

Proposed: No basketball team representing a member school shall, in any one season and exclusive to the IESA state series, participate in more than 24 games.

Proposed: Rewritten-A school that does not enter their roster and/or record will not be able to rank the other schools in their regional, but those schools can rank them.

Rationale: Teams that are not willing to list games should not be allowed to seed.

Current: Two officials shall be hired for each regional game.
