Actual state series competition dates shall be in accordance with the IESA calendar. Seeding shall be done online according to the timeline in the IESA standardized calendar. Bids for regional, sectional, and state tournament sites shall be forwarded to the IESA Office. See Section 3.120 for seeding procedures.

All tournament play shall be single elimination with the winning team advancing from regional to sectional and from sectional to state level competition. If an opponent incurs a violation in the state series that requires a contest or contests to be forfeited, the following policy will be followed:

- If the violation affects only one round of competition, the opponent within that round will be advanced on to the next round of competition within the state tournament series.
- If the violation affects more than one round of competition, no opponent from the preceding rounds of competition shall be advanced to the next round of competition within the state tournament series.
- The advancement of opponents shall be determined by the IESA Office.

It shall be the responsibility of regional and sectional host schools to list the tournament winner on the IESA website after the conclusion of the tournament.

The IESA Office will assist in determining the host school if needed. If both regional winners desire to host, a coin flip conducted by the IESA Office will determine the host.

4.014 Exceptions to National Federation Rules

**Regulation baseball uniforms are not necessary. A minimum uniform shall be a baseball cap, shoes, long pants, and a T-shirt with numbers. Rubber-soled or rubber-cleated baseball shoes are required as metal cleats are prohibited. The penalty for wearing metal cleats in a game shall be immediate removal from the contest without the opportunity to return to the game. [1-4-1]

**Diamonds for all regular season and state series games shall be 80 feet square with the pitching distance at 54 feet. The recommended minimum distance from home plate to the backstop is 20 feet. Schools should not apply to host a regional or a sectional if their field does not meet these requirements. In cases where no field meets these specifications, then the schools assigned to the regional will meet to determine the regional host. First-round regional games which are played at the site of the higher seeded teams do not have to meet the home run distance. [1-2-1]

**The use of Safe-Base, or a manufactured reproduction thereof, shall be mandatory in all regular season and tournament play. No game shall be played unless the Safe-Base is in use. The rules pertaining to Safe-Base shall be as follows: The batter-runner should use the orange portion only on the first attempt at first base. A runner is never out for touching the white base rather than the orange portion. Once the runner reaches first base, the runner shall then use only the white base. The defensive player may use only the white portion of the bag in making any play at first. One exception--On a missed third strike the first baseman may use the orange portion for the putout throw from the catcher. A batted ball must hit totally in the orange to be foul. [1-2-9 Note]

**The ten-run rule is in effect and the game shall end when the visiting team is behind 10 runs or more after 4 ½ innings, or after the 5th inning, if either team is 10 runs behind and both teams have had an equal number of times at bat. A 15 run rule is also in effect and the game shall end when the visiting team is behind 15 runs or more after 2 ½ innings, or after the 3rd inning, if either team is 15 runs behind and both teams have had an equal number of times at bat. When a team's last available substitute enters the game as part of a multiple substitution, the team coach shall advise the umpire and official scorekeeper which player is to be considered the last player removed from the lineup. [3-1-3]

Illustrations for Section 4.015

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. My starting pitcher is removed from the mound during the third inning but remained in the game as the shortstop. Can he return to the mound in the 5th inning to finish the game as the pitcher?

A. Yes, assuming he has sufficient numbers of daily/weekly inning eligibility remaining. Starting pitchers can return to the mound once per game.

Q. I removed my starting pitcher from the game in the second inning and he returned to the mound in the 4th inning. Because he does not hit very well, I want to pinch hit for him in the 6th inning. What is his playing status if I pinch hit for him?

A. In this instance, the player has to be removed from the game. Although you legally entered him back in the pitching position (starting pitchers may re-enter as the pitcher once per game) once you pinch hit for him, regulation re-entry rules prohibit him from re-entering the contest.

Q. I removed my starting pitcher in the 4th inning. He did not stay in the game. Can he re-enter in the pitching position to get the final out of the game?

A. Yes, assuming he has sufficient number of daily/weekly inning eligibility remaining and he re-enters according to the re-entry rules.

Q. I brought in a relief pitcher to face one batter in the 5th inning. After he retired that batter he stayed in the game as the right fielder. Can he pitch to one batter in the bottom of the 7th inning?

A. No. Relief pitchers once removed from the mound cannot return to the game as the pitcher.

Q. Our game was suspended due to weather conditions in the middle of the 4th inning. Can my pitcher complete the game the next day?

A. The pitcher can pitch a maximum of 9 innings on two consecutive days. If the pitcher has thrown five innings, then he could throw 4 innings the next day.

Q. My team has advanced to the semi-finals of the Class 3A state tournament. Can my pitcher throw 5 innings in the semi-final game and then come back and throw 2 innings in either the third place or championship game?

A. Yes, provided your pitcher has seven innings of eligibility that day.

Q. My pitcher has pitched 7 innings. The score is tied after 7 innings. May he continue to pitch in the 8th inning since the game is tied?

A. No. A pitcher is allowed a maximum of 7 innings in one day. A pitcher who pitches one pitch more than 7 innings is an ineligible player at that point and the game shall be forfeited in accordance with By-Law 5.071.

4.016 Pitching Limitation Penalty

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

A. Yes. A team may now play any combination of regular season games and regular season tournaments as long as the total number of games played does not exceed 22. A team entering regional play with more than 22 games played would be in violation of this rule.

Q Does a scrimmage against another school team qualify as a game?

A. Yes. An interscholastic scrimmage is considered a game, must count toward your total game limitation, and should be reported on your regular season schedule.

4.044 IESA State Tournament Team Limitations

Each tournament team shall consist of a maximum of 15 uniformed girls for girls' teams and/or 15 uniformed boys for boys' teams whose names appear on the Regional Entry Form. Each school entering the basketball state series must submit its Regional Entry Form via the internet through the IESA Member School Center to the IESA Office. Changes, additions and/or substitutions may be made to the Regional Entry Form information until that team begins regional play.

Basketball warm-up periods shall be limited to 15 minutes in all tournament play.

All tournament play shall be single elimination with the winning team advancing from regional to sectional and from sectional to state level competition. If an opponent incurs a violation in the state series that requires a contest or contests to be forfeited, the following policy will be followed:

- If the violation affects only one round of competition, the opponent within that round will be advanced on to the next round of competition within the state tournament series.
- If the violation affects more than one round of competition, no opponent from the preceding rounds of competition shall be advanced to the next round of competition within the state tournament series.
- The advancement of opponents shall be determined by the IESA Office.

For a team competing in two regional games in one day, the time between the start of the first regional game for that team and the start of the second regional game for that team must be a minimum of three (3) hours.

4.045 Individual Limitations

For regular season contests and all tournaments (regular season and state series), students shall be limited to a maximum of eight (8) quarters per day. Participation in a quarter shall mean that a student actually competes (regardless of the length of time) in the quarter.

Students may participate in either or both grade levels of the IESA state tournaments for which they are qualified. Eighth graders are never permitted to play on seventh grade teams. Seventh graders are never allowed to participate on sixth grade teams.

Students in 5th or 6th grade who participate on the school's 7th and/or 8th grade teams must abide by all IESA rules and regulations only during the IESA season for the given activity.

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

A. Yes. Students may play 8 quarters in one day.

Q. Can a student play 4 quarters in the 7th grade game and 4 quarters in the 8th grade game on the same night?

Q. Can a 7th grader play 4 quarters in a 7th grade game tournament and later that day play in an 8th grade tournament?

A. Yes. Beginning with the 2007-08 school season the By-Law was modified to allow a student to play no more than 8 quarters a day in regular season tournaments.

4.046 Exceptions to National Federation Rules

The smaller basketball has been adopted for IESA girls state tournament play. [1-12-1d& e]

*Undergarments shall be a single solid color similar to the torso of the jersey and shall be hemmed and not have frayed or ragged edges. If the undershirt has sleeves, they shall be the same length. [3-5-6] **Note: This exception removes the logo restriction. At the IESA level, undergarments that have more than one logo and/or the logo size exceeds what is allowed by NFHS rule, shall be legal.***

Host schools shall provide a black and white striped garment to be worn by the official scorer for all games as required by NFHS rule. [2-11-11 note]

All games shall consist of six-minute periods. Overtime periods shall be three minutes. Member schools may play away basketball games with seven-minute quarters with member schools of the Southern Illinois Junior High School Athletic Association. [5-5-2, 5-7-3]

The Association has adopted the use of a 14 ft. coaching box for basketball. [1-13-2]

The Association has adopted a "mercy" rule for all regular season contests, tournaments and the IESA state series (regional, sectional, and state). [5-5-3 note]

The following guidelines for the administration of the mercy rule shall be used:

- i. A running clock shall be utilized during the fourth quarter in contests with a 30 point differential in score.
- ii. Once the clock begins running continuously because of the point differential, it is to remain running for the rest of the contest, even if the point differential drops under the 30 point barrier during the fourth quarter.

- iii. If a contest should begin its fourth quarter with a 30 point differential in score or greater, the entire fourth quarter will be played with a running clock. The running clock shall not be used prior to the fourth quarter of any contest.
- iv. If, while using the running clock because of the point differential and the trailing team somehow tied the contest at the end of regulation, any and all subsequent overtime periods would be played using the continuous clock.
- v. The running clock would only be stopped once it starts for the following:
 - 1. A team timeout,
 - 2. To replace a disqualified player,
 - 3. To administer a technical foul,
 - 4. To attend to an injured player,
 - 5. Any other situation of concern to an official.

It is recommended a safe area be in place for all state tournament series contests as determined by the local and game management. [1-2-1]

The official scorer and timer for all state series games must be at least 18 years of age.

4.047 Awards

Plaques shall be awarded to the regional and sectional winner, and trophies to the champion, runner-up, third, and fourth place winners at the state final competition.

Twenty-three individual awards will be presented to the first, second, third, and fourth place team winners in the state final competition.

4.050-----BOYS WRESTLING

4.051 Regional, sectional, and state level competition shall be held. Regional and sectional competition sites will be assigned by the IESA Office. If a regional or sectional site is not assigned by the IESA Office, then schools assigned to that regional/sectional may contact the IESA Office to indicate their willingness to host a state series contest. Actual state series competition dates shall be in accordance with the IESA calendar. Seeding shall be done at the regional seeding meeting. Bids for regional, sectional and state tournament sites shall be forwarded to the IESA Office. See Sections 4.057 for seeding procedures. Schools offering to host a regional or a sectional must use digital scales to conduct weigh-ins.

4.052 Season Limitations

No member school participating in the IESA Wrestling State Tournament Series shall organize, hold tryouts, or practice prior to Monday of Week 22 in the IESA standardized calendar.

A member school may conduct its first interscholastic contest in boys wrestling no earlier than Monday of Week 23, and its last interscholastic contest in boys wrestling no later than Saturday of Week 39 in the IESA standardized calendar.

Only schools which have an established school team which has played at least three (3) interscholastic contests prior to the regional seeding meeting in that sport during the current season may participate in team competition in Association-sponsored meets or tournaments.

4.053 Team Limitations

No boys' wrestling teams representing a member school shall, in any one season exclusive of the IESA series, participate in more than:

- (a) 15 dates and 1 tournament; or
- (b) 14 dates and 2 tournaments; or
- (c) 13 dates and 3 tournaments; or
- (d) 12 dates and 4 tournaments; or
- (e) 11 dates and 5 tournaments.

A regular season interscholastic date shall be defined as a date where either two or three (sometimes four) teams are competing and it is not a bracketed format. A regular season tournament shall be defined as a date where opponents are determined through a bracketed format.

A wrestling team representing a member school is further limited to a maximum of 25 regular season matches (Dual Meets), exclusive of all regular season tournaments.

All interscholastic competition shall be considered a match.

Illustrations for Section 4.053

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Does a scrimmage qualify as a date?

A. Yes. An interscholastic scrimmage is considered a date, must count toward your total date limitation, and should be reported on your regular season schedule.

Q. Is there a limit as to the number of dual meets in which my team may compete?

A. Yes. A team is limited to 25 dual meets and further limited to the number of dates and tournaments as detailed in the By-Law. For example, a school hosts a super dual invitational on a Saturday. There are six schools in attendance meaning each school will wrestle five dual meets that day. The five dual meets count toward the maximum of 25 dual meets that are allowed.

4.054 IESA State Tournament Team Limitations

Each member school is eligible to enter one team, consisting of no more than two contestants in each weight class.

A member school may elect to enter one or two individuals in one to eight of the weight classes without being eligible for team awards.

During the state series, all teams shall weigh-in together with their coach present. If even one wrestler is absent, the team shall wait until all members are present before they begin their weigh-in. If a wrestler fails to make weight at the regional meet, the wrestler cannot move up to the next weight class and must be scratched. No contestant listed on the Regional Entry Form can replace him, but another certified contestant who has not been listed on the Regional Entry Form may. Another certified contestant who has not been listed on the Regional Entry Form may also be used as a replacement for listed regional contestants who are ill, injured, or ineligible for competition on that day. No re-seeding will be done when a contestant is scratched. However, wrestlers may be switched after seeding if it necessary to balance the brackets when a seeded wrestler scratches.

Weigh-ins for the state series may be conducted as a team as opposed to weight class. No state series host shall make a weight scale available to check weight before the actual weigh-ins begin. *No school may bring a scale to a state series site to check weight prior to the official weigh-in. A school that checks their weight upon arriving at the state series site will be disqualified from competing if the head official on site is a witness to the checking of weight.*

If a wrestler fails to make the required weight at the regional, sectional, or state meet in the entered class, the wrestler cannot move up to the next weight class and must be scratched.

The following criteria shall be used to determine place finishers at the regional and sectional level in case replacement wrestlers are needed at the sectional and state level:

Regional: The first alternate shall be the wrestler who won the most matches in the championship bracket but failed to qualify as a place winner. Should more than one (1) meet the alternate criterion then the one who was defeated by the highest place winner shall qualify as the alternate and advance to the sectional. *Should no wrestler meet either criteria, then the wrestler who was defeated by the highest place winner shall qualify as the alternate and advance to the sectional.*

Sectional: The first alternate shall be the wrestler defeated in the third place match. The second alternate shall be the wrestler who won the most matches in championship bracket competition but failed to qualify as a third place winner or as the first alternate. Should more than one (1) wrestler meet second alternate criterion then the one winning the most matches in both the championship and consolation brackets shall be the second alternate. However, if two (2) wrestlers remain tied for the second alternate position, the one defeated by the highest placing wrestler shall advance. If the above criterion does not produce a replacement then the third alternate would be the wrestler who loses the first round championship bout to the champion.

Note: It shall be the responsibility of the principal or coach of the wrestler who is scratching to notify the IESA Office that an alternate may be necessary. The IESA office will then contact the alternate's principal or coach that he will replace the regular qualifier. Scratches of wrestlers advancing to the sectional must be reported by 4:00 p.m. on the Thursday prior to the sectional in order for the alternate to advance. Scratches reported after 4:00 p.m. on that Thursday will not be replaced. Scratches of wrestlers advancing to the state meet must be reported by 12 noon on the Thursday prior to the state in order for the alternate to advance. Scratches reported after 12 noon on that Thursday will not be replaced including wrestlers who fail to make weight at the state meet.

A wrestler who has advanced to the sectional or state meet who is too ill to compete, becomes injured or ineligible, or fails to make weight the day of the tournament must be scratched. When the scratch is due to an illness, an injury, or the result of an ineligibility situation, it is the responsibility of the coach to notify the IESA office as soon as possible

prior to the next level of competition. The IESA office will then contact the school administrator of the wrestler who is next qualified, according to criteria listed above to inform him/her that the next qualified contestant can participate in the next level of competition. Scratches of any type reported at the site of the state meet will not be replaced. There are no substitutes at the sectional meet for any scratch reported after 4:00 p.m. on the Thursday preceding the sectional meet. There are no substitutes at the state meet for any scratch reported after 12 noon on the Thursday preceding the state meet.

If there is a replacement at the sectional or the state meet, contestants shall be advanced in brackets. e.g. A wrestler who won the sectional is injured during the week before the state meet and has to be scratched. The fourth-place finisher from the sectional will replace him. The second-place sectional finisher now moves to the first-place bracket slot, the third-place finisher moves into the second-place bracket slot, and the fourth place finisher moves into the third-place bracket spot. At the sectional level, wrestlers will also be advanced in the bracket if a replacement wrestler is used. If a scratch is made at either the sectional or state level prior to the Thursday preceding the contest and the eligible replacement is not available, contestants shall still be advanced until the last qualifying spot is vacant.

4.055 Individual Limitations

Wrestlers are limited to a maximum of 37 matches per season (includes all regular season matches wrestled). Matches wrestled in the state series (regional, sectional, state) do not count toward the 37 match limitation.

Individual contestants shall be limited to a maximum of five matches per day, with a minimum rest period of 45 minutes between each match.

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

All wrestlers shall weigh-in before every contest (regular season and state series--no Saturday weigh-in at state finals) Each contestant shall be limited to the maximum weight in each weight class without any extra allowance.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. For a meet held in February I have a wrestler who weighs 91 lbs. Is he eligible to wrestle at the 90 lb. weight class?

A. No. Beginning with the 2009-10 school year, wrestlers are only eligible for the weight class for their actual weight the day of the contest. A wrestler who weighs 91 lbs. would only be eligible at the 95 or 100 lb. class.

Q. I have a wrestler in the 119 lb. weight class that won the regional and has now advanced to the sectional. At sectional weigh-ins, he weighed in at 120 lbs. Does he get to wrestle in the sectional?

A. No. In this instance, the wrestler will be scratched and is ineligible for the sectional. There are no weight allowances throughout the entire year. A wrestler who does not make weight during the state series will be ineligible for the remainder of the state series.

Q. I have a wrestler who has consistently weighed 82-83 lbs. all year. Therefore, he has wrestled at the 85 lb. weight class. The week before regionals, his weight has jumped to 84-85 lbs. Should I list him in the 85 lb. weight class for regionals?

A. Wrestlers do not receive any growth allowance. Therefore, if you list him in the 85 lb. weight class and he advances to the state meet, he must weigh no more than 85 lbs. throughout the state series. As the coach, you must be very aware of your wrestler's weight trends throughout the season so he is placed in the proper weight class for the state series and can make weight for the entire state series.

All wrestlers shall weigh in at each regular season meet and/or tournament.

The first, second, third, and fourth-place regional individual weight class winners shall advance to sectional level competition and the first, second, and third-place sectional individual weight class winners shall advance to state level competition.

All wrestlers with skin conditions must have a skin condition form that is supplied by the IESA completed by a physician.

4.056 Exceptions to National Federation Rules

Contestants shall be required to follow the National Federation rules regarding the uniform. Universal or freestyle singlets are not allowed. [4-1-1]

Weight classes shall be as follows: 65, 70, 75, 80, 85, 90, 95, 100, 105, 112, 119, 126, 135, 145, 155, 167, 185, 215, and 275. [4-4-1; 4-4-2] **PLEASE NOTE THAT THE NFHS RULE ALLOWING A MAXIMUM WEIGHT OF 285 LBS. IN THE HEAVYWEIGHT CLASS HAS NOT BEEN ADOPTED BY THE IESA. THE MAXIMUM WEIGHT FOR THE HEAVYWEIGHT CLASS AT THE IESA LEVEL IS 275 LBS.**

Weigh-in time period may begin two and one-half hours prior to the beginning of a meet. [4-5-1]

Weigh-ins must be conducted in accordance with NFHS rule 4-5-7. Contestants may NOT weigh-in nude. [4-5-7]

The following time limits shall apply to all state series matches and are recommended for all regular season matches:

- (1) First period--one minute
- (2) Second and third periods--one and one-half minutes [6-1-1]

In regular season and tournament competition, the overtime period shall be conducted as follows:

If the score is tied at the end of the three periods, the wrestlers will wrestle an overtime period which will be a maximum of one minute in length. Both wrestlers will be in the neutral position. The wrestler who scores the first point(s) will be declared the winner. If no winner is declared by the end of the 1 minute overtime period, a 30 second tiebreaker will be wrestled. Choice for position is given to the wrestler who scores the first point in the regulation match. The wrestler who scores the first point in the tiebreaker will be declared the winner. If no scoring occurs in 30 seconds the offensive wrestler will be declared the winner and one match point is added to the offensive wrestler's score. If the points earned in the overtime period or tiebreaker involve a takedown or reversal straight to the back, the match shall continue until the near fall or fall situation has concluded.

There are no weight/growth allowances. All regular season contests (duals and tournaments) as well as the IESA state series shall be limited to the maximum weight in each weight class with no extra growth allowance permitted. Wrestlers must make scratch weight at every weigh-in except as noted below. [4-4-4].

If NFHS rule 4-5-5 concerning consecutive days of team competition is met, then wrestlers may be granted the additional allowance per 4-5-5 but only for the consecutive days of competition. Rule 4-5-5 is not in effect for the state series.

Weigh-ins for the state series may be conducted as a team as opposed to weight class. Regional and sectional host schools shall designate a 45 minute block of time to conduct weigh-ins. Weigh-ins for the state series may be conducted as a team as opposed to weight class. ALL members of a team must be present before weigh-ins for that team may begin. [4-5-3]

4.057 Regional Seeding Procedures

It shall be the responsibility of the regional wrestling host to invite the coaches of the participating schools to a seeding meeting on Wednesday prior to the date of the event. No team shall be allowed to participate in the regional without official entries submitted at the regional seeding meeting. Schools not in attendance shall have nothing to say regarding seeding. Any wrestler who is seeded must have at least eight (8) varsity matches completed in order to be a seeded wrestler. Wrestlers who do not have at least 8 varsity matches before the seeding meeting shall not be seeded and must be drawn into their respective weight bracket. Eight (8) contestants in each weight class shall be seeded from entries on the Regional Entry Form in the following manner:

- (a) Head-to-head competition;
- (b) Record against common opponents;
- (c) Overall record of **VARSDITY** matches--include matches wrestled regardless of the weight class;
- (d) Vote by the coaches if the eight seeds cannot be determined through steps a through c above.

NOTES:

- No re-seeding shall be done after all 19 weight classes have been seeded.
- If a weight class has fewer than eight competitors, only the wrestlers who meet the minimum number of varsity matches(8) that are needed to be seeded shall be seeded.
- If a weight class has more than 8 wrestlers but fewer than 8 meet the minimum number of varsity matches determined to be able to be seeded, then only those wrestlers who meet the minimum number of varsity matches needed to be seeded are seeded and the remaining number of wrestlers in that weight class are ALL placed by draw. For example, if the 100 lb. weight class has 12 wrestlers entered but only five of the 12 wrestlers have wrestled 8 varsity matches, then only those five wrestlers will be seeded and the remaining seven wrestlers are all drawn into the bracket.
- It is the intent of the seeding process that only varsity matches shall be considered for the purpose of seeding. Wrestlers must have eight varsity matches completed in order to be seeded.

In the above procedure, if (a) determines all eight seeds, go no further. If it does not, go to (b). If this determines

remaining seeds, go no further. If not, go to (c), then (d).

Once the seeds have been determined, no switching of seeds is permitted. This includes wrestlers from the same school who are seeded that are in the same bracket. On the day of the meet, wrestlers may be switched if it is necessary to balance the brackets when a seeded wrestler scratches.

After the eight seeds have been placed on the bracket chart and the byes drawn in order by seed, the remaining wrestlers shall be placed by draw. Seeds #1, #4, #5, and #8 shall be placed in the top bracket and seeds #2, #3, #6, #7 in the bottom bracket with the exception noted above.

If an individual bracket has more than 16 wrestlers, the following procedure shall be used to seed the wrestlers:

Eight wrestlers shall be seeded using the criteria established. Once the schools of those 8 wrestlers are determined, at least one wrestler from the remaining schools shall have one of their two wrestlers drawn into the 16 man bracket. The remaining wrestlers shall then be drawn into the pigtail matches. Wrestlers who lose the pigtail match are eliminated from the regional and will not be placed in the wrestleback. Seeds #1, #4, #5, and #8 shall be placed in the top half of the bracket and seed #2, #3, #6, and #7 shall be placed in the bottom half of the bracket.

Teams without contestants listed on a Regional Entry Form at the seeding meeting shall be disqualified from regional competition--see By-Law 3.013.

The sectional meet shall be organized on the basis of regional results. The state meet shall be organized on the basis of sectional results.

Q. A school has two wrestlers in the 135 lb. weight class. One wrestler receives the 2nd seed and the other wrestler receives the 3rd seed. Is it permissible to move the 3rd seeded wrestler to the top bracket?

A. No. The seeded wrestlers shall always remain in the exact spot where they were seeded.

4.058 Scoring

Scoring shall be as in the National Federation Wrestling Rules Book. Team points shall be scored 14, 10, 7, and 4 points for four places at regionals and sectionals, and shall be scored 16, 12, 9, 7, 5, and 3 points for six places at the state final meet.

4.059 Awards

Plaques shall be awarded to the first place team at all regionals and to the first and second place teams at all sectionals. Duplicate awards will be made for tied team scores at regionals and/or sectionals, which should be ordered from the IESA Office by the host school.

Trophies shall be awarded to the first, second, third, and fourth-place winners in state final competition. In case of a tie, a flip of the coin shall determine which team takes the award and a duplicate shall be ordered for the other school.

Ribbons will be presented to the first, second, third, and fourth place winners in each weight division at each regional meet. Medals will be presented to the first, second and third place winners in each weight division at each sectional meet. A ribbon will be presented to the fourth place winner in each weight division at each sectional meet. Medals will be presented to the first, second, third, fourth, fifth, and sixth-place winners in each weight division in the boys state final wrestling meet. Thirty-eight (38) individual awards will be presented to the competitors of the first, second, third, and fourth place team winners at the state final competition.

4.060-----GIRLS VOLLEYBALL

4.061 Regional, sectional, and state level competition shall be held for Classes 1A, 2A, 3A, and 4A in both the seventh and eighth grades. Regional and sectional competition sites will be assigned by the IESA Office. If a regional or sectional site is not assigned by the IESA Office, then schools assigned to that regional/sectional may contact the IESA Office to indicate their willingness to host a state series contest. Seeding shall be done online according to the timeline in the IESA standardized calendar. Actual state series competition dates shall be in accordance with the IESA calendar. No eighth grade regional tournaments will be permitted to be scheduled on seventh grade sectional dates. It is recommended that regional competition be scheduled in the evening hours to increase receipts and minimize the assessment to participating schools. See Section 3.120 for seeding procedures.

Q. I am a sectional host and will be hosting a regular season contest in an auxiliary gym in my facility. Separate dressing rooms will be used for the regular season contest. Is this allowed?

A. Yes. The primary playing court reserved for the sectional game nor the locker rooms that would be used for this game would be affected.

Q. I am hosting a 7th grade girls' volleyball regional. Can I conduct an 8th grade girls volleyball practice on the regional game floor prior to the regional game?

A. Yes. If the practice is being held on the regional game floor, the practice must be concluded and the locker rooms vacated at least one hour prior to the scheduled game time.

Q. I am serving as the host for our girls volleyball regional. My school dismisses students at 3:10 p.m. and our regional is scheduled to start at 6:00 p.m. May I conduct a practice for my team on the day of the regional in my school gymnasium where the regional is played?

A. Yes, as long as your practice is completed by 5:00 p.m. Host schools are only allowed to practice in any of the school's facilities until one hour prior to the start of the game.

Q. My school is serving as the regional host. I have an auxiliary gymnasium that I would like to practice in because the main gymnasium, which is the site of the actual regional, is occupied immediately after school. May I practice in this auxiliary gymnasium?

A. Yes, but only until one hour before the start of the regional contest. After that you may not practice in the auxiliary gymnasium or the main gymnasium as schools are only allowed to practice in any of the school's facilities until one hour prior to the start of the game.

4.062 Season Limitations

No member school participating in the girls volleyball state tournament series shall organize, hold try-outs, or practice prior to Monday of Week 22 in the IESA standardized calendar.

A member school may conduct its first interscholastic contest in volleyball no earlier than Monday of Week 27 and its last interscholastic contest in volleyball no later than Saturday of Week 39 in the IESA standardized calendar.

Only schools which have an established school team and has played at least three (3) interscholastic contests prior to the online roster and record deadline in that sport during the current season may participate in team competition in Association-sponsored meets or tournaments.

4.063 Team Limitations

No girls volleyball team representing a member school shall, in any one season and exclusive of the IESA series, participate in more than 22 matches. A team can enter any combination of regular season matches and tournaments in a given season as long as the total number of matches does not exceed 22. A team could also choose to enter no tournaments and simply play 22 matches. Any combination of matches and tournaments will be allowed as long as the total number of matches played prior to the start of regional play does not exceed 22.

All interscholastic competition shall be considered a match.

No team shall participate in more than four matches in one day in all tournament play.

Q. Does a scrimmage qualify as a match?

A. Yes. An interscholastic scrimmage is considered a match, must count toward your total match limitation, and should be reported on your regular season schedule.

4.064 IESA State Tournament Team Limitations

Each tournament team shall consist of a maximum of 15 uniformed girls whose names appear on the Regional Entry Form. No substitution may be made after the beginning of the first match of regional play.

Volleyball warm-up periods shall be 2-6-6 for all regular season matches and IESA state series tournaments. For regular season tournaments, the host school may shorten, but not lengthen the 2-6-6 warm-up format.

All tournament play shall be single elimination with the winning team advancing from regional to sectional and from sectional to state level competition. If an opponent incurs a violation in the state series that requires a contest or contests to be forfeited, the following policy will be followed:

- If the violation affects only one round of competition, the opponent within that round will be advanced on to the next round of competition within the state tournament series.
- If the violation affects more than one round of competition, no opponent from the preceding rounds of competition shall be advanced to the next round of competition within the state tournament series.
- The advancement of opponents shall be determined by the IESA Office.

The host school shall have the court set-up and ready for the first match 45 minutes prior to the scheduled start of the match. The host school shall not make its gymnasium available to the competing teams prior to this set-up time.

Solo Acting--a theatrical presentation by an individual student. The presentation may be a monologue or a selection in which two or more characters are portrayed.

Poetry--one or more selections of poetry.

Impromptu Speaking--The student will be given two words or phrases from the judge and will then choose one and discard the other. The person will then have eight minutes to write and present the speech. The speaker may use one 3 x 5 note card and a writing instrument. The time will begin when the speaker is given the topics. The speaker may divide the writing/speaking time however he or she wishes. While the speaker is writing, the judge or timer (it is highly recommended that the host school provide a separate timer for this event) will announce the time remaining at one-minute intervals. Once the speaker has begun, the timer or judge will signal by means of upraised fingers or time cards the time remaining, and at the end of the eight minutes by an upraised hand. The speaker then has a grace period of 30 seconds to end the speech. If the speaker speaks beyond 8:30, the performance will be lowered one division rating.

Original Script--The student will present a speech which he or she has written. The speech may be a monologue, poetry, short story, essay, or presentation. All rules and limitations for individual events will apply.

Storytelling-- The student will tell a story from his/her own life experience, from folk literature, from his/her family's oral tradition, or from any other source. Storytelling is unique from most other contest events in that it should have a very spontaneous quality encouraging audience participation/interaction. The presentation should have a clear beginning, middle, and end, and demonstrate the customary attributes of characterization, stage presence, body and facial expression, articulation, pronunciation, fluency, and eye contact. The presentation may include multiple characters and sound effects.
