The Executive Director does not have the authority to waive such late fees. Schools who have not renewed their membership by the June entry deadline or have not entered an IESA activity in which they participated the previous year shall be notified at least one week prior to the membership or entry deadline. No entry will be accepted after the final entry deadline and no appeal will be heard to accept a school entry after the final entry deadline.

- 5.029** *The penalty fee assessed to a school which does not participate in an athletic activity for which it is registered without notifying the IESA Office or withdraws from the state series after the seeding meeting/online ranking deadline for a given activity shall pay a \$50.00 penalty, the cost of the officials for the contest which they forfeited, and that school's share for one contest for any deficit, and any other penalties (including monetary) as deemed appropriate by the Executive Director. The \$50.00 penalty fee shall be paid directly to the host school.*

Scholastic Bowl teams withdrawing from the state series must notify the IESA Office of their intent to withdraw by the conclusion of the online ranking process. Failure to do so will result in a \$50.00 penalty which must be paid to the IESA.

The acceptance of membership dues and/or entry fees shall be withheld from any school which fails to return tournament financial reports.

The Executive Director has the authority to suspend the membership of a school which fails to pay an assessment due to another school when the school owing the assessment does not pay such assessment in a timely manner.

5.050-----PROTESTS, PENALTIES, AND HEARINGS

5.051 All protests or charges of a violation of the Constitution, By-Laws, rules or regulations of the Association shall be reported to the Executive Director in writing or otherwise verified to the Executive Director within 48 hours of the alleged violation. The Executive Director shall have the authority pursuant to Article 1.440 to decide the matter. Such decision may be appealed as provided in these By-Laws.

5.052 In the event a student, parent/guardian, school, or individual against whom or in favor of whom a decision or ruling has been rendered wishes to request a hearing, they shall file such request for such hearing in writing through the principal of the member school involved, with the Board of Directors of the IESA.

5.053 The President of the Board of Directors may appoint a hearing officer or select an Appeals Panel to conduct an appeal. A decision of the Board of Directors or an Appeals Panel shall be final. The decision of a hearing officer can be appealed to the Board of Directors who shall hear and decide the appeal. Only the Board of Directors may hear and decide a matter involving the Constitution or Sections 5.080 and 5.090 of the By-Laws.

5.054 A hearing officer or Appeals Panel will be appointed by the President, or in the President's absence, failure or refusal to act, by the Vice-President to review the ruling of the Executive Director.

- 5.055** When the President of the Board of Directors refers an appeal to an Appeals Panel, the President shall appoint not less than three members of the Board of Directors to constitute such appeals panel and to conduct a hearing on an appeal. The members so appointed shall select a chairperson from among their number to preside at all hearings. Members of an Appeals Panel shall not be from the school or division involved in the appeal. The Appeals Panel shall review all documents or information presented to it, shall decide the matter in accordance with the By-Laws or rules of the Association and provide a copy of its decision in writing to the administrator of the school or student's school involved. A written report of all decisions of the Appeals Panel shall be given to the Board of Directors not less than quarterly.
- 5.056** When a hearing officer is appointed, he/she shall promptly convene a hearing to consider the ruling by the Executive Director. The hearing officer shall review all documents and information provided and may affirm, modify, or reverse the decision of the Executive Director. The decision of the hearing officer may be appealed to the Board of Directors.
- 5.057** The decision of a hearing officer may, upon written request filed with the Board of the IESA within ten (10) days of a decision, be reviewed at a further hearing conducted by an Appeals Panel or the Board of Directors as determined by the President. All interested persons may attend and provide testimony or evidence at all hearings. The decision of the Appeals Panel to affirm, modify, or reverse the decision of the Executive Director or hearing officer shall be final when made.
- 5.058** Protests pertaining to the decision of a game official shall not be subject to a ruling by the Executive Director, Appeals Panel, or the Board of Directors. Principals shall file a report of unsatisfactory performance by game officials with the Executive Director. Such report must set forth the facts and specific charges such as lack of knowledge, error in judgment, improper conduct, or other charges. [See By-Law 2.125]

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. What course may I take when all hearing procedures have been exhausted and I am still not satisfied with the decision of the Appeals Panel?

A. The decision of the Appeals Panel is final. If still not satisfied, you have the option of examining the problem through the courts of the State of Illinois.

Q. In addition to the \$100 charge for an appeal, what other expenses might I expect to pay?

A. If an appeal is heard via a telephone conference call, you could expect to pay at least \$300 for the cost of the telephone conference call. If the Appeals Panel should actually meet to hear the appeal, then the party requesting the appeal would be responsible for paying the round-trip mileage to the hearing site and meal costs for the members of the Appeals Panel.

5.070-----FORFEITURE OF CONTEST

5.071 The use of any ineligible participant in any interscholastic game or contest shall make the forfeiture of the game or contest automatic, and mandatory if won by the offending school. In addition, any individual or team awards won by the school using an ineligible player must be forfeited. The use of an ineligible participant for a non-athletic contest shall result in the forfeiture of any award to be received by those participants. Coaches who allow students to exceed the individual limitations as detailed in Division 4 of these By-Laws shall be subject to a two game suspension at the level where the violation occurred and all other interscholastic contests at any level in the interim.

5.072 Any team which fails to play a scheduled game and forfeits such game is subject to action of the Board of Directors, including penalty, assessments, suspension, or expulsion.

5.073 *A team failing to field the required number of starting players in boys baseball, girls softball, girls or boys basketball, girls volleyball, or scholastic bowl within thirty (30) minutes of the scheduled game time shall forfeit the game. A game or match that is played even though the school failed to field the required number of starters within thirty (30) minutes of the scheduled game time cannot be protested for that reason.*

5.074 State series contests in girls softball, boys baseball, girls basketball, boys basketball, and girls volleyball shall not be forfeited due to weather. If the administrator of any participating school determines the team cannot reach the tournament site due to weather, or if the tournament manager makes the decision that all contests scheduled on a given day shall not be held because of weather, the host school shall reschedule the game(s) and adjust the remainder of the playing schedule as necessary. Other contests scheduled on that date may still be held.

Teams that cannot attend a golf sectional or state finals, a cross country sectional or state finals, a wrestling regional, sectional, or state finals, the bowling state finals, a scholastic bowl regional, sectional, or state finals, or a track sectional or track state finals due to weather may forfeit without penalty. However, only when a majority of the schools scheduled to compete in the contest are not able to participate due to weather will the contest be rescheduled. Should weather cause a delay or postponement in any state final activity, it is the responsibility of the IESA along with the respective host school to reschedule the contest.

5.075 Any coach or school official who withdraws a team from the field of play under any circumstances prior to the official completion of the game shall forfeit all rights to protest, except when the principal of the forfeiting school believes circumstances which affected the health, safety, or welfare of the students required such action. The principal may file a protest under the provisions of Division 5 in these situations.

5.076 If a coach is ejected and there is not another coach present to assume coaching duties who meets the guidelines for qualifications of athletic coaches as set forth in By-Law 2.110, the game must be forfeited.

Illustrations for Section 5.070

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. A conference tournament or regular season game is scheduled on the same night as the IESA regional. How should we proceed?

A. IESA competition takes preference over any regular season or other tournament play. Teams that would forfeit a state series contest are subject to the provisions of By-Laws 5.029 and 5.072.

Q. As a regional tournament host, should I notify the other team before they leave home when their opponent has forfeited in advance?

A. Yes. It is not necessary for a team to correctly appear on the game area at the correct time and before forty-five minutes have elapsed if it is known in advance that their opponent is forfeiting the contest. Administrators should use good judgment in making decisions to notify other teams of declared forfeits.

Q. Can the coach of a girls volleyball team call the tournament host to tell him they are unable to appear due to bad weather?

A. It is valid only when done by a school administrator.

Q. As a state tournament host, what is my responsibility in scheduling when a cancellation becomes necessary due to weather conditions?

A. Contact the IESA Office immediately.

Q: One of the teams that is scheduled to play in my sectional is late. There has been no contact from that school. What do I do?

A: The game will be forfeited if the school is not dressed and ready to play within 30 minutes of the scheduled starting time.

Q: One of the teams that is scheduled to play in the first round of my regional has called to indicate their bus is having mechanical problems. They believe they will be an hour late. What do I do and what is my next step?

A: The game will be forfeited if the school is not dressed and ready to play within 30 minutes of the scheduled starting time. While it is unfortunate the team will be late because of bus problems, to continue delaying the regional will only cause problems for the teams who are scheduled to play later in the day and officials who are scheduled to work that day as well. If the school arrives 30 minutes after the scheduled start time, the contest should be declared a forfeit, the host school should notify the IESA office, and the next game should be played at the scheduled start time.

Q: My sectional basketball game was scheduled for 6:00 p.m. One of the schools scheduled to play in the contest has called and indicated they have had bus problems and will be arriving at 6:25 p.m. Should this game be forfeited?

A: No. Schools have 30 minutes from the scheduled start time to arrive at the site. Since contact has been made between the host school and the school that will be late, the game shall start no later than 6:30. There would be at most 5 minutes of warm-up time given to the school who is late as the game may not start later than 30 minutes from the scheduled start time.

Q: Whose responsibility is it to declare a forfeit if a team is late?

A: The host manager has the responsibility to declare a forfeit. This is generally the administrator of the host school.

5.080-----BREACH OF CONTRACT BETWEEN MEMBER SCHOOLS

- 5.081** In the event of any emergency, strike, or boycott, every effort should be made by both parties to resolve the breach of contract by mutual consent. If agreement cannot be reached, the school which created the breach shall be responsible to fulfill the terms of the contract or be liable to terms of this section. If a contest is not played because a member school complies with the prohibitions of By-Law 2.015 pertaining to a strike, no financial penalty or assessment, other than that which is specified in By-Law 5.082, shall be imposed against the offending school for breach of contract.
- 5.082** In case of strike, the school district on strike shall be responsible for payment of all officials' and/or judges' contracts.
- 5.083** In case of a breach of contract between member schools, the Board of Directors shall have authority to consider and decide any penalty including an award of financial loss which is sustained by the offended school.

Illustrations for Section 5.080

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. When a member school cannot participate in a scheduled contest because it is not in legal session due to a strike, may the contest be rescheduled or must it be canceled and forfeited?

A. A contest which is not played because of a strike may be rescheduled within the provisions of the season and participation limitations of these By-Laws and by mutual consent from both schools. If the contest is not rescheduled and played, the school which could not participate because of the strike must forfeit the contest.

Q. Is a school which cannot play a contest because of a strike obligated to make financial settlement for unrealized revenue with the host school for the contest?

A. No. The provisions of By-Law 5.081 specifically absolves a striking school of such obligations if it complies with the terms of By-Law 2.015, which prohibit it from playing a contest while on strike.

Q. Who is responsible for payment of officials when a forfeit has occurred?

A. The school that caused the forfeit is responsible for payment to the officials. In some cases restitution may have to be made to the host school if the host school has paid the officials and it was the visiting school that caused the forfeit. Example: School A and School B have a game scheduled for Tuesday at 6:00 p.m. School B has requested that the game be moved to 4:00 p.m. on the same date to accommodate a school concert. School A is willing to play earlier but must contract a different set of officials for the earlier starting time. School B is responsible to pay the original set of officials because they were the ones who requested the time change necessitating new officials.

Q. Our baseball (or softball) game has been cancelled because of rain. Do I have to pay the umpires?

A. If the umpires have driven to the site, then generally payment is made. If the school was able to contact the umpires before they left for the contest, payment does not need to be made. **See By-Law 2.127 for postponement/suspension policy.**

Q. I have a set of officials contracted to work two basketball games. Our school lost power and we were not able to play. Am I responsible for paying the officials?

A. In general, yes. Some officials will understand the situation and if you can contract them for the make-up date, they will not expect payment. However, if you cannot contract the same officials, then they should be paid. The officials held the date for you and they should be paid if a new date cannot be scheduled. **See By-Law 2.127 for postponement/suspension policy.**

Q. When a contest is not played because of a strike, how are game contracts resolved?

A. Game officials are contracted by the host school for the contest, and it is obligated to pay officials for contracted games, whether the game is played or not, unless other resolution is mutually consented to by both the school and officials(s). However, in the event of a game which is not played because one of the schools scheduled to play cannot because of a strike, the striking school must either pay the game officials according to the terms of their contracts if it is the host school, or the striking school must reimburse the host school for the terms of the officials contracts if it is the visitor.

5.090-----BREACH OF CONTRACT BETWEEN SCHOOL AND OFFICIAL

- 5.091** In case of breach of contract between a member school and official, either in total or in part, the Executive Director or Board of Directors shall have authority to assess such penalties as they deem appropriate against the offending party.
- 5.092** Member schools of the Association shall contract officials. Contracts may be in either written or in electronic form.

- 5.093** If, in the judgment of the school or official, there are extenuating conditions, a hearing may be held. Written request for such hearing must be submitted to the Executive Director, who shall be responsible for conducting an investigation and hearing.
- 5.094** If an official's contract is made during a given school year for a contest to be played during the next school year and if, in the meantime, there is a change in the school principalship, the contract is valid only if and when the incoming principal has been notified of the existing contract and has sanctioned it or has failed to inform the official of cancellation within one week after the notification.

5.100-----PENALTY FOR VIOLATING RULES

- 5.101** Any player ejected from a contest for unsportsmanlike conduct shall be ineligible for the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any player ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the next two interscholastic contests at the level at which the ejection occurred (and all other interscholastic contests at any level in the interim), in addition to other penalties the IESA or the school may assess. Example: A basketball player is ejected twice during the course of the season. The player is not allowed to participate in the next two contests following the ejection; a player is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That player is not allowed to participate in the next two basketball contests following the second ejection.
- 5.102** *Any coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next two (2) interscholastic contests at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any coach ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the next five (5) interscholastic contests at the level at which the ejection occurred (and all other interscholastic contests at any level in the interim), in addition to other penalties the IESA or the school may assess. Examples: 1: A basketball coach is ejected twice during the course of the season. The coach is not allowed to attend the next five contests following the second ejection; 2: A coach is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That coach is not allowed to attend the next five basketball contests following the second ejection.*
- 5.103** Any player or coach ejected from a contest for unsportsmanlike conduct who fails to sit out the remaining interscholastic contest(s) as required in By-Laws 5.101 and 5.102 shall cause the team(s) to forfeit that contest and possibly receive other penalties as determined by the Executive Director.
- 5.104** Any school that receives two ejections in a school year (which includes players, coaches, and fans) shall be required to communicate in writing through the school's administration with the Sportsmanship Review Panel on the steps the school is taking to address the issue. The panel may recommend additional sanctions to the Board of Directors if they deem necessary.
- 5.105** The Sportsmanship Review Panel shall consist of an IESA administrative staff member, a member of the sportsmanship advisory committee as well as no less than one member of the Board of Directors.

Illustrations for Section 5.100

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. May a coach who is ineligible for a contest due to a suspension for unsportsmanlike conduct travel with the team to the contest or attend the contest?

A. No.

Q. If a player is ejected from a 7th grade game, when is he/she eligible to participate?

A. A player ejected from a 7th grade contest may not play in the 8th grade contest scheduled on the same evening. Furthermore, whenever the next 7th grade contest is scheduled, the player is required to miss that contest and all contests between.

Q. My coach was ejected from a 7th grade game on Tuesday. Our next 7th grade game is not scheduled until two weeks from that day. Our county 8th grade tournament is scheduled to start this coming Saturday. Is my coach allowed to coach in the 8th grade county tournament?

A. No. The coach is required to miss all contests for the remainder of the day once they have been ejected, the next two contests at the level at which the ejection occurred, and all contests in between. Since your coach was ejected in the 7th grade contest, he/she could not coach the 8th grade county tournament and would have to miss the next two 7th grade contests.

Q. What is the definition of Unsportsmanlike Conduct?

A. Unsportsmanlike Conduct is defined as the following: fighting, verbal abuse/dissent directed toward an official or opponent, racial or ethnic slurs, profanity/obscene gestures, flagrant/violent fouls, taunting/trash talking/baiting, cheating, throwing/abusing equipment, physical intimidation or abuse of an official or opponent, and unauthorized leaving of the team bench.

Q. If a player is disqualified for committing five personal fouls in a basketball game, must he/she sit-out the next contest?

A. No. By-Law 5.101 only applies when players are ejected for unsportsmanlike conduct.

A. The ejected player must sit out the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in which he or she participates. He would have to miss the first track meet of his 7th grade year assuming he participates in track, If he does not participate in track, then he would have to miss the first contest of his 8th grade year in any interscholastic contest.
