Q. My team was awarded the 2nd place team plaque the day of the track sectional. Four days after the meet, my host school called to inform me that the team points had been added incorrectly and that my team really placed third at the meet. Do I need to switch the 2nd and 3rd place plaques with the team that actually finished 2nd?

A. Yes. This By-Law allows for the correction of team scoring errors at any time. Schools that may need to switch plaques

because team scores were figured incorrectly at the site must do so. Sectional host schools should make every effort to avoid team scoring errors.
