1.250 Certificate of Membership

Upon meeting the requirements of membership in this Association, the Association shall cause a certificate of membership to be issued to each member.

When there is more than one member school in the same school district, the membership division for all schools in that district shall be determined by the location of the district office. The IESA Office shall be notified of any change in the location of the district office or member schools.

1.300 ----- BOARD OF DIRECTORS; REQUIRED DIVISION MEETINGS

1.310 Authority

The administrative authority of this Association shall be vested in a Board of Directors.

1.320 Membership

The Board of Directors shall be composed of a like number of members as there are membership divisions. For the 2016-2017 school year, members shall be elected from Divisions C, G, I, K, and O. For the 2017-18 school year, members shall be elected from Divisions A, E, L, M, and N. For the 2018-19 school year, members shall be elected from Divisions B, D, F, H, and J.

Persons serving on the Board of Directors must be elementary school administrators with a valid administrative certificate who hold the position of superintendent, assistant superintendent, principal, or assistant principal from a member school in their respective membership divisions.

1.330 Nominations

Not later than November 1, the Board of Directors shall cause to be electronically mailed to the representative of each member school in each division in which a Board of Directors' member is to be elected, a letter requesting a nomination from among the administrators in that division for membership to the Board of Directors, and indicating the incumbent member of the Board. Nominations must be in the office of the Association by November 10. Persons nominated must meet the criteria detailed in section 1.320 of the Constitution.

The Executive Director shall tally the nominations. The two administrators from each membership division receiving the highest number of nominations, including ties, who accept such nomination shall be declared the nominees and placed on the election ballot with the incumbent. If there is no incumbent, then the three administrators with the highest number of nominations, including ties, who accept the nomination shall be placed on the final ballot.

1.340 Election

Not later than November 11, the Board of Directors shall cause to be electronically mailed to the representative of each member school in each division in which an election is to be held, a ballot on which are the names of the nominees. Each principal shall mark the ballot in the regular manner, voting for one of the nominees. This ballot shall be submitted to the office of the Association by November 20. All voting will be conducted online.

The President shall appoint a committee of three tellers who shall meet before the annual January meeting, and canvass the ballots. They shall then certify to the Board of Directors the results of the balloting, and the Board shall declare the individual in each membership division receiving the higher number of votes to have been elected. In case of a tie vote in any membership division, the tie votes shall go back to that membership division to be voted on again.

1.350 Term of Office

Members of the Board of Directors shall be elected for three years and shall take office at the conclusion of the January regular meeting of the Board following their election. They shall serve until their successor is elected; until they cease to be an elementary school administrator in the Division from which they were elected, or until they tender their resignation from the IESA Board and it is accepted by the Board of Directors.

1.360 Vacancies

In case of vacancy, the President shall appoint an administrator who meets the criteria established in section 1.320 of the Constitution from a member school in the division in which the vacancy occurs to serve until the time of the regular election in that division.

1.370 Board of Director Meetings

The Board of Directors shall meet in September, January, April, and June of each year on a date to be determined by the Board. The time and place of the meeting shall be determined by its members. Special meetings may be called by the President and must be called upon written request of any five members of the Board. A telephone conference call when a quorum is present shall constitute a special meeting.

In case an elected member of the Board of Directors cannot attend a regularly-scheduled Board of Directors meeting, that member may appoint another administrator from the membership division to attend and represent the division in his/her absence. The substitute shall have full voting privileges at the meeting, except for personnel matters. The Executive Director must be notified prior to the meeting should this occur.

1.371 Required Division Meeting Attendance

Member schools are required to attend one of the Division Meetings that are held online each year. At least one staff member from each member school will be required to login and watch the presentation. Several presentations will be held each fall. Schools can also meet the Division Meeting requirement by attending the meeting that is held in conjunction with the IPA conference each fall or the athletic director workshop sponsored by the IESA. Feeder schools which do not enter any IESA sponsored activities are exempt from the division meeting requirement. Schools that only enter the IESA for speech or scholastic bowl can receive credit for attending one of the required Division Meetings if a representative of that school attends the IESA sponsored workshop for that activity.

Failure to comply with this requirement will result in probation for one year. A school that fails to attend a Division Meeting for two consecutive years will have their membership suspended for a period of one year beginning on January 1 following the school's second consecutive non-compliance with this rule. During the suspension, the school is not eligible to participate in any IESA state series activity. To be reinstated, a school would need to attend a Division Meeting the school year after the second consecutive missed meeting. That meeting will be held at the IESA Office. A school who is facing suspension for failure to attend a Division Meeting for two consecutive years may elect to pay a \$500 fine and attend a Division Meeting held at the IESA Office to avoid being placed on the one year suspension.

1.400 ----- POWERS AND DUTIES OF THE BOARD OF DIRECTORS & ADMINISTRATIVE STAFF

1.410 Quorum

A majority of the Board of Directors shall constitute a quorum. When a vote is taken upon any matter pending before the Board, a quorum being present, a majority of the votes of the members of the Board voting on the matter shall determine the outcome thereof. On roll-call votes, the motion-maker shall be called first, the person seconding the motion shall be called second, followed by membership divisions of the person making the second, with the President being called last.

DIVISION 2

2.000 SCHOOL BY-LAWS

2.010-----COMPLIANCE WITH RULES; STRIKE BY-LAWS

- 2.011** Member schools of this Association shall adopt the Constitution, By-Laws and all governing rules for the member's interscholastic activities at the grade levels in which the member participates in the IESA tournament, and shall enforce all provisions thereof. The provisions shall not be waived by agreement or otherwise by a member school in activities with a member or nonmember.
- 2.012** Except as provided herein, members of the Association, in all athletic activities at the grade levels in which they participate in the IESA state-sponsored tournament series, shall be permitted to participate with one team. That team may only be comprised of either boys or girls as that athletic activity is designated by the IESA unless the school follows the provisions of By-Law 3.110 regarding girls participation on a boys team.
- 2.013** All member schools must submit the information concerning athletic participation as required by the State Board of Education when completing the online membership process. Members must also have available upon request by the Executive Director all information pursuant to Sections 2.030 and 3.020.
- 2.014** All interscholastic athletic games, meets, and contests participated in by IESA member schools shall be governed only by the rules written or officially adopted for those respective sports by the National Federation of State High School Associations and modified by the IESA. (See Section 4.000.) Schools hosting IESA state series contests that do not uphold the By-Laws or Terms and Conditions of a given activity governing the conduct of those contests may be subject to sanctions as determined by the Executive Director.
- 2.015** **School Strike Provisions**

Representatives of member schools shall not participate in interscholastic activities during a strike when the member school does not have 51% of its students in attendance and is not meeting the minimal educational requirements of the State Board of Education.

Under the following criteria, regularly scheduled practice sessions may be held during the period when school is not fully operating:

1. They must be conducted for the same length and frequency they would be if school were fully operating;
2. They must be approved by the local Board of Education and school administration;
3. They must be conducted by qualified personnel who meet the provisions of By-Law 2.110; and
4. They must be conducted in such a manner that assures the health and safety of the participants.

If a school is on strike and not in legal session, as defined by the Illinois State Board of Education, on the date of the beginning competition in any IESA state series, students from that school may not participate in the state series.

However, when students from any member school first participate in the beginning level of competition in a given state series, that state series is considered to have begun for all entered schools. If a school subsequently incurs a strike, the qualified teams and/or students will be permitted to continue participating in the state series, with local board of education approval, so far as the IESA strike By-Laws are concerned, even though their school may not be in legal session on the dates of subsequent state series competition in that activity.

The IESA school strike provisions do not restrict schools from participating in activities on days when school is not held due to weather or other emergencies. The provisions apply only to situations in which school is not operating due to strike circumstances.

A school that is on strike may host an interscholastic event in which other schools participate. The striking school may not participate in the event.

See Division 5.000 for non-compliance of rules.

A. This term is viewed to require presence of a certified person employed by the Board of Education and such other personnel as may be necessary to provide control of and be responsible for the safety and welfare of the participants and spectators.

Q. May a coach who is coaching a contest serve as the school's supervisor at an interscholastic contest?

A. No. By-Law 2.092 clearly states that an administrator or school representative, other than the participating coach, must be in attendance at all home contests. Therefore, a coach who is coaching a contest cannot be the school supervisor. It is the principal's responsibility to ensure proper supervision at contests.

2.030-----ATTENDANCE & HOME SCHOOL ELIGIBILITY

2.031 Students must attend member schools and may only represent in competition the school they actually attend. See exceptions noted below and 2.140.

2.032 In music organizational events, students from more than one member school may participate together in an event entered by one member school.

2.033 The Executive Director shall have discretion to authorize the use of students from member feeder schools in junior high school activities provided:

They are students at an elementary attendance center located in the same school district which feeds the junior high school; and

They are not members of a grade school team in a sport, scholastic bowl team, speech chorale reading group, or music organization group which is entered in the IESA state tournament series; and

They are members of the junior high school athletic or scholastic bowl team for at least one-half of the regular season contests or regular members of the speech chorale reading group; and

Written request for use of these feeder students is submitted by the junior high school principal to the Executive Director prior to participation in any given activity; and

They are eligible under and in compliance with the requirements of these By-Laws; and

The junior high school principal assumes full responsibility for the conduct of these students during all activities in which they represent the junior high school.

2.034 Students who are receiving their education through home schooling may be eligible at the public school at which the student would regularly attend, providing they are in full compliance with the following requirements: all eligibility By-Laws other than the attendance By-Law, the home schooled student's work must be accepted by the school district in which the student resides and be granted credit toward graduation by that school district, the school district shall establish a method to monitor the academic performance of the home schooled student on the same basis as for students in regular attendance at the school, and the school certifies that the student is meeting the minimum academic eligibility standards for participation. The school at which the student will participate is required to keep all records to verify compliance with these requirements in the event the IESA is required to rule on the eligibility of the home schooled student.

2.035 Students who are receiving their education through an alternative education plan may be eligible only at the public school at which the student would regularly attend in the school district where the parents/guardian resides, providing they are in full compliance with all of the following requirements: all eligibility By-Laws other than the attendance By-Law, the student's work must be accepted by the school district in which the student resides and be granted credit toward graduation by that school district, the school district shall establish a method to monitor the academic performance of the alternative education student on the same basis as for students in regular attendance at the school, and the school certifies that the student is meeting the minimum academic eligibility standards for participation. The school at which the student will participate is required to keep all records to verify compliance with these requirements in the event the IESA is required to rule on the eligibility of the alternative schooled student.

In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Must a contestant be in school on the day he or she desires to participate in an interscholastic activity?

A. The contestant is not required to do so by Association rules. Many schools maintain local policies of this sort which would determine if he or she would be permitted to play.

Q. What is the definition of "the school which they actually attend"?

A. "The school which they actually attend" shall be viewed as the school at which a student is enrolled and permanent records are kept. The only exceptions to this definition would be students who are classified as special education, feeder school, involved in a cooperative team sponsorship, a music organization entry, or meet the criteria in By-Law 2.034 or 2.035

Q. Could a member school which is not in attendance due to a "strike" participate in an interscholastic contest?

A. A school shall not engage in an interscholastic activity unless 51% of the school's students are in attendance and the minimum program required by state law is being offered. This is in conformity with policy established by the *Illinois State Board of Education*. See By-Law 2.010 for a further exception to this answer.

Q. May students from feeder elementary schools participate in a music solo and ensemble or speech contest as representatives of the middle school/junior high school which is an IESA member?

A. Yes. Students who attend a feeder school to their middle school or jr. high school may represent the feeder grade school or they can represent the middle/junior high school in these activities. Each feeder school must be an IESA member school. If the feeder school students will be representing the middle/jr. high school, the entries must be sent in with the middle/junior high school entries. If the student is going to represent the feeder grade school, then the entries must be received from the feeder school. Please see By-Law 2.033 for an exception for chorale reading groups in speech contests.

Q. How often must the written request to use students from feeder schools be made?

A. Annually. Permission shall be granted only after feeder schools have paid membership dues to the Association.

Q. Could a member junior high school bring up their best sixth graders from its three feeder schools to play on a tournament team?

A. Yes, provided the principal complies with the provisions of By-Laws 2.033 and all the requirements of By-Law 3.010.

Q. Can a student who is home schooled for a portion of the day and also attends a public school for a portion of the day participate for the public school?

A. Only if the district meets all of the provisions of the home school By-Law.

Q. Softball practice begins in July. We have a new girl in our district and we have been told she wants to try-out but she has yet to register for classes because our registration is not held until the first week of August. Is she eligible to try-out and participate for the team if she has not registered or moved to the district yet?

A. In general, this girl would be eligible to try-out, practice and play. Since practice and games begin before school starts, schools really do not have 100% assurance that even the students who were in attendance the previous school year will actually enroll when school begins. However, in this instance, the principal needs some assurance that the girl is going to be a bona fide resident of the district and intends to register for classes. Assuming she does register, is a resident of the district, and attends classes, then she is certainly eligible to continue participating for the school team. If after the first day of classes, she has not registered and does not live in the district, then she must be removed from the team immediately until she meets all eligibility and residence requirements. Schools would not be required to forfeit any games in which the girl played if she does not attend class the first day as long as she is removed immediately.

2.040-----SCHOLASTIC STANDING

2.041 All contestants shall be in grades five through eight and shall not have passed eighth-grade standing.

2.042 A student shall be doing passing work as determined by the local school district in all school subjects and the school shall certify compliance with this By-Law. Use of a player, contestant, or participant shall be deemed such certification.

2.043 For all IESA activities, athletic as well as non-athletic, passing work shall be checked weekly. Eligibility will be applied to the Monday through Saturday following the week that was checked. Students must be passing each subject each week to be eligible. Grades shall be cumulative for the school's grading period.

2.044 The eligibility check shall be the same day each week unless school is not in session; then it must be taken on the last day of student attendance that week.

2.045 For fall sports, the first eligibility check shall be made following the first full week of attendance at the beginning of the school year. During the succeeding weeks of the school year, the eligibility check shall begin the week prior to the first contest in an activity.

The following is provided for illustrative purposes only and is neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q: We are in the 5th week of our nine week grading period. During our weekly grade check we discovered that we have a student who is receiving 4 A's and one F in all subjects. Is that student eligible to participate?

A: No. Since grades are cumulative for a grading period and the student is not passing all subjects, the student is ineligible for the following week. When the grade check is taken the following week and if the student is now passing all five subjects, then the student will regain eligibility.

Q: When a student is ineligible for a given week because of grades, may that student participate in practices held during the week of ineligibility?

A: This is a local school decision.

Q: My school will be on winter vacation from December 21-January 5. We took a grade eligibility check on Friday, December 20. If we have members of our boys basketball team who are grade ineligible, are they able to play in contests held during break and/or the week of January 6-11?

A: No. Students who were grade ineligible with the last weekly grade check remain ineligible for all contests until the next weekly grade check is conducted. In this particular situation, the student would be ineligible for a total of three weeks---the two weeks during the winter break and the first week that students return to school. Eligibility for the week starting January 13 will depend on the grade check taken the week of January 6.

Q: Our teacher's grades are due to the office by 3:00 p.m. each Thursday to determine grade eligibility for the following week. One of my teachers reported a failing grade for a student when he turned in grades. On the following Monday, the teacher reported that the student who was failing turned in an extra credit report over the weekend and was now considered passing. Is this student eligible?

A: No. The student is ineligible since he was failing on the day that grades were due to the office. The fact that the extra credit project now makes the student grade eligible will help when the grade check is done the next Thursday, but the student was failing when the grade check was completed and as a result, the student is ineligible for the following week. The grade check must be

done on the same day each week and cannot count grades earned or received after the check has been completed.

Situation: A new principal has come to Illinois from another state where scholastic eligibility rules differ from those of the IESA. The principal notes in the IESA rules that a student must be passing all subjects weekly to be scholastically eligible. Not understanding how to determine what "passing per week" means, the principal calls the IESA Office for an explanation.

Most important to note is that "passing per week" is determined by measuring a student's performance on a cumulative basis from the beginning of a school's grading period (usually a six or nine-week period) through the date on which the check is made. The check should not reflect only a given school week's scholastic performance; rather it should reflect the student's cumulative performance for the grading period through the date of the check. Schools are expected to conduct this weekly check in a consistent manner. Student eligibility or ineligibility is then affected on the Monday following the week that was checked.

For example, consider a school which checks eligibility every Wednesday. Records are processed through the computer and a printout of all students' scholastic standing is given to the athletic director on Thursday. The athletic director's office reviews the list and reports Thursday afternoon to the principal that a student is not passing all subjects as of this check. The principal informs the student and coaches on Friday morning that the student is not passing the required work and is thus ineligible for one week, beginning the following Monday morning. The student may play in contests held that evening or on Saturday, the next day. However, the entire next week, Monday through Saturday, the student is ineligible. The following Wednesday, the process is repeated. This time, when the report reaches the principal on Thursday afternoon, the student's record shows the student is now passing all subjects on a cumulative basis since the beginning of the grading period. Now, the principal will inform the student and coach on Friday morning that the student will become eligible again the following Monday morning. Please note that the student is not permitted to play on this Friday and Saturday because of last week's failure to meet the grade requirements. A student becoming scholastically ineligible by the weekly eligibility check must remain ineligible for one full calendar week before possibly becoming eligible again.

- 2.046** In cases where a contest has been postponed or re-scheduled, the current week eligibility shall be used to determine a student's eligibility. For example, a contest is scheduled to be played on Tuesday and because of poor weather, the contest is rescheduled for two weeks later. A student who was grade eligible for the originally scheduled game but is ineligible during the week of the rescheduled game is not eligible. Conversely, a student who was ineligible the week of the originally scheduled game and is grade eligible the week of the rescheduled contest is eligible to play.

2.050-----RESIDENCE

- 2.051** A student shall be eligible if he/she attends the member school in the district in which he/she resides.
- 2.052** If the parents of a student move from one school district to another during the school year, the student may retain eligibility for the remainder of the school year provided the student continues to attend the school in the district from which the parents moved.
- 2.053** In cases where ISBE has granted a legislative waiver for children of certified staff members to attend the school tuition-free, the student shall have eligibility at the school where the certified staff member is employed.
- 2.054** Tuition students may participate on athletic teams at the member school they are actually attending, providing that such nonresident students have paid tuition as stated by the Illinois School Code.
- 2.055** Students in special education classes have the option of participating for their home school district, which is counting their attendance, and receiving state aid for them or at the attendance center of their special education class. Once the student has chosen the option, it will not be changed unless the student's special education Individualized Education Plan (IEP) changes.

2.060-----TRANSFER

- 2.061** A transfer student is one who transfers from one school to another school after the first day of classes at his/her school.
- 2.062** A student who transfers from one school to another school shall become eligible upon the eleventh day of attendance at the new school provided all eligibility requirements have been met.
- 2.063** A student who transfers from one school to another is eligible immediately if the school from which he/she transfers is involved in a co-op with the school to which he/she is transferring.

Q. What does the phrase “eligibility requirements” mean?

A. In general, a transfer student is eligible to participate for the new school on the student's 11th day of attendance and once the student's birth certificate is on file, a certificate of physical fitness issued by a licensed physician, physician's assistant, or nurse practitioner as set forth in the Illinois State statutes not more than 395 days preceding such tryout, practice, or contest in any athletic activity is on file, the student meets the age guidelines as set forth in By-Law 3.050, and the principal can verify grades from the previous school. If this process takes 15 days to get all of the paperwork on file, then the student is ineligible for those 15 days. If the paperwork is on file after one day and the student is a bona fide student of the new school, then the student is eligible on the 11th day of attendance.

Q: *May a student who plays girls volleyball in the fall in Missouri play girls volleyball for an IESA member school in the winter if her family moves from Missouri to Illinois?*

A: *Yes. The IESA Board of Directors has determined that the season in which a sport is played in another state is a circumstance beyond the control of the student, the family, and the IESA member school.*

2.070-----USE OF PARTICIPANTS

2.071 Only students who are currently eligible under the rules and By-Laws are eligible to participate.

2.072 A student becomes a member of the school team when he/she practices with the school team or participates in a contest.

2.080-----SCHOOLS WITH WHICH CONTESTS MAY BE HELD

2.081 Member schools may permit eligible students to participate in interscholastic activities as school representatives pursuant with the following:

- Schools which are members of this Association;
- Illinois elementary attendance centers containing any of the grades five through eight which are not members of this Association;
- Any school (Illinois or non-Illinois) containing grades five through eight as long as that contest is held in an Illinois school;
- Non-Illinois elementary attendance centers in states adjacent to Illinois which contain any of the grades five through eight.

2.082 Member schools may not permit students to participate as school representatives in interscholastic activities with high school or non-school groups.

2.083 Member schools are not allowed to practice against other schools, including high schools, or allow students from their own school to practice with a different school.

In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Is a team from a member school allowed to participate against teams from non-school organizations, such as YMCA's, wrestling clubs, etc.?

A. No. This is in violation of this By-Law.

Q. Could a team from a member school play a contest against the school faculty?

A. Yes, such games would be permitted at any time, even if they involved students who are certified athletes. As this is not an interscholastic contest, it would not be counted as one of the contests to which a school team is limited by the By-Laws.

Q. Could a team from a member school play a game against the players' parents?

A. Yes. This would be permitted and would have no effect on student eligibility. As this is not an interscholastic contest, it would not be counted as one of the contests to which a school team is limited by the By-Laws.

Q. My 7th grade team was defeated in the regional round of play. Can my 8th grade team that has advanced to the IESA state finals practice against the high school freshman team prior to the finals?

A. No. IESA teams are not allowed to practice against high school students. Additionally, IHSA rules prohibit high school students from practicing against jr. high school teams.

2.090-----SPORTSMANSHIP OF SCHOOL REPRESENTATIVES

2.091 It is the clear obligation of students, school staff, boards of education, and all other official representatives of member schools in all interscholastic relationships to practice and promote the highest principles of sportsmanship and the ethics of competition, and it is the obligation of the member school to maintain proper crowd control at all interscholastic activities. The Association shall have no responsibility for crowd control nor for the actions of school representatives. The Board of Directors shall have full authority to penalize any member school, any of whose representatives or spectators may be adjudged upon competent evidence to have violated these obligations.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Is the host school exclusively responsible for crowd control?

A. No. While the host school for any activity must assume primary responsibility for the physical management of the activity, including providing for crowd control, this is a mutual responsibility. Visiting schools must also take such measures as are necessary to ensure proper behavior on the part of their own students and spectators.

2.092 The IESA and its Board of Directors require an administrator or school representative (other than the participating coaches) be in attendance at all home contests. It is recommended that in addition to the tournament manager, an administrator or other school representative from the host school be in attendance at all times for state tournament series contests.

2.093 The IESA and its Board of Directors recommends that a school have a policy in place when it is necessary to deal with a fan ejection(s).

2.094 For all contests, game officials will be required to fill out and submit a special report form for an ejection within 48 hours of the incident. In addition, the host school administrator on duty should also complete a special report form within 48 hours and return it to the IESA office following any ejection.

2.100-----MISBEHAVIOR DURING ACTIVITIES

Students participating in interscholastic contests in violation of the By-Laws, or other persons found to be in gross violation of the ethics of competition or the principles of good sportsmanship, may be barred by the Executive Director from interscholastic activities.

2.110-----QUALIFICATIONS OF COACHES AND INSTRUCTORS

QUALIFICATIONS OF COACHES FOR NON-ATHLETIC ACTIVITIES

Coaches in the activities of speech, music, scholastic bowl, and chess shall be designated by their Board of Education or governing board as personnel responsible for the supervision of the school's contestants. Coaches in these activities do not have to meet any coaching education requirements.

QUALIFICATIONS OF ATHLETIC COACHES

To serve as a Head or Assistant Coach, athletic coaches in member schools in the sports in which the school participates in the IESA state series must:

- (a) be regularly licensed by the ISBE as a teacher, administrator, or school service personnel (i.e. counselor, social worker, speech therapist, etc.), or*
- (b) be a retired teacher/coach from an IESA or IHSA member school, or*
- (c) be a college student coaching as part of an official student teaching assignment, or*

- (d) be certified through an IESA approved coaches education program. - (e) be a high school graduate or equivalent (see exception below for high school students), and
- (f) be officially employed by the local school board of the member school.

A person with a substitute-only license must complete one of the IESA approved coaching education courses in order to serve as a coach.

Coaches in the activities of bowling, cheer, and golf must meet the Qualifications of Athletic Coaches criteria.

High school students may be assigned to assist with the coaching of athletic teams in a member school provided they are under the direct supervision of an individual who is qualified to coach under the provision of Section 2.110.

Any coach who does not meet the IESA coaching qualifications as detailed above will be suspended for a minimum of two games and will not be permitted to coach again until he/she completes an IESA approved coaching education course. This includes practices as well as contests.

Additional sanctions may be applied by the Board of Directors to schools with multiple violations for non-compliance with the coaching education By-Law.

HIGH SCHOOL STUDENTS AS COACHES

Q. I have a high school student assisting our wrestling squad. My head coach was ejected from the contest. May the high school student take over as the head coach for the remainder of the match?

A. No. You would have to forfeit the remaining matches of the meet unless there is an individual who meets the coaching education requirement in attendance who can assume the duties of the head coach.

Q. May the high school student we have assisting my volleyball coach be the only coach in the gym when my head coach had to miss practice?

A. No. The high school student who is assisting shall never assume coaching duties unless he/she is under the direct supervision of a coach qualified under the provisions of 2.110.

- c. If the contest begins and then is suspended until the next day, the official shall receive the full game fee for the contest which began and then a full fee for the completion of the contest the next day.

2.128 Activity Officials

It is important for the integrity and advancement of the officiating profession that only those qualified and trained actually officiate IESA contests. If a school is aware that an IESA member school is hiring non-licensed officials, please inform the IESA Office.

NOTE: A school's first violation for hiring a non-licensed official in baseball, softball, basketball, wrestling, and/or volleyball will result in a warning. One official meet referee/starter shall be hired for each sectional meet and one assistant starter will be hired by the IESA Office.

Licensed officials as needed will be hired for each state meet.

Prior to contests involving member schools, either by a meeting or written communication the referee shall address head coaches and team captains.

Speech

Speech contest hosts shall obtain judges for the contests, preferably from the approved list of judges provided by the IESA Office. Host schools shall provide the speech judges with complete rules for the conduct of the contest. All judges shall be people well-versed in the ability of elementary and junior high students to express ideas orally. No coach serving as a judge shall judge students from his or her own school. The IESA Office will assign the judge representative to all contests.

Music

Music contest hosts shall obtain judges for the contests, preferably from the approved list of judges provided by the IESA Office. Host schools shall provide the judges with complete rules for the conduct of the contest. All judges shall be well-versed and experienced in the area they are to judge. Three judges shall be hired for organizational events and one judge for all solo, ensemble, and choir events. Music judges shall not judge their own music students and preferably none from their own city.

Scholastic Bowl

Scholastic bowl regional contest hosts shall obtain moderators, scorers, and timers for the contests. The IESA Office shall contract moderators for those sectional sites assigned by the IESA Office and for the IESA state final contests. Host schools shall provide the moderators with complete rules for the conduct of the tournament. Moderators used during the state series must be at least 18 years of age. Sectional and state contest hosts shall obtain scorers and timers for all contests.

Cheer

It is recommended that any school conducting a competitive cheer competition use IHSA licensed cheer officials as judges for the competition. The IESA administrative staff shall contract officials who are licensed by the IHSA as needed for the IESA cheer competition.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Can a school demand that an official be changed for a state series game in which they participate?

A. No.

Q. How can coaches be assured officials know of differences between the IESA and National Federation rules of play?

A. This should be checked with the officials prior to the start of the contest. It would be helpful for a host school to have a copy of the IESA Official Handbook available to answer such questions by officials or coaches. Exceptions for each sport are given in Division 4 of the By-Laws and are also included with the Terms & Conditions for each activity.

Q. As a licensed official, I arrive at a game and my partner is not a licensed official. What should I do?

A. It is important that only licensed officials work IESA contests. A licensed official should not work an IESA contest with a non-licensed official. In this situation, the licensed official should work the contest WITHOUT the aid of the non-licensed official. The licensed official should report the situation to the IESA Office after the contest.

Q. As a licensed official working an IESA contest, am I required to hold a pre-game meeting? As a head coach, am I required to attend a pre-game meeting?

A. Yes. NFHS rules require that officials conduct a pre-game meeting prior to a contest. In addition, the meeting is important in reinforcing contest requirements and expectations. Pre-game conferences may include court/field considerations, equipment legality, sportsmanship expectations, concussion management, etc.

2.130-----STANDARDIZED IESA CALENDAR

2.131 All IESA-sponsored state tournament series, sport seasons, and activities shall be conducted on dates established with the standardized calendar adopted by the Board of Directors.

Effective July 1, 2016

2.132 The standardized calendar shall number the weeks of the year, with week one (No. 1) being the first full week of July (Sunday through Saturday).

2.133 The standardized calendar shall be updated and adopted annually at the September board meeting for a three-year period and is subject to change. The standardized calendar is available from the IESA website and should be checked periodically by school personnel for updated dates/changes.

2.140-----COOPERATIVE TEAM SPONSORSHIP

2.141 The Executive Director shall have the authority to approve the formation of cooperative athletic teams or activity programs by two or more member schools in the following activities: Girls Softball, Boys Baseball, Boys & Girls Cross-Country, Girls Basketball, Boys Basketball, Boys Wrestling, Girls Volleyball, Speech, Cheerleading, Scholastic Bowl, and Girls & Boys Track and Field under the following conditions:

The combined enrollments of all schools involved in the cooperative team shall be utilized to determine the classification for the cooperative team.

The cooperative sponsorship agreement is established for a minimum period of two consecutive school years and shall designate the sponsoring school. An additional school may be added to an existing co-op agreement after one year provided they complete a new application for a two-year period, the conference (if applicable) approves of the new school being added, and the approval of the Executive Director. The Executive Director has the authority to dissolve a co-op after one year provided a letter requesting to do so is signed by the President of the Boards of Education involved in the co-op and the principals of the schools involved in the co-op. All schools must agree to dissolve the co-op after one year for this to occur.

The governing boards of all schools participating in the cooperative team agreement jointly make the application to the IESA for approval of the cooperative team agreement. In addition to the governing boards approving the formation of the cooperative team, written approval from the conference(s) of which the cooperating schools are members, and/or in which the cooperative team will participate, or, in the event that the cooperative team will not be affiliated in a conference, written approval from a minimum of five schools included in the cooperative team's schedule of competition must be secured. When a school renews the co-op application, conference or opponent approval is not required if no changes have been made to the original agreement.

2.142 **Application Procedures:**

A statement signed by the administrators of all cooperating schools designating the name under which the cooperative team will compete.

A statement expressing the reasons for the formation of a cooperative team.

The signatures of the administrator and Board of Education presidents of each of the schools involved in the cooperative.

One application form must be completed and filed with the IESA Office for each cooperative team a school wishes to establish. Application forms are available from the IESA Office or the IESA website.

The application deadline for cooperative teams during a given school year in a given sport shall be determined by the Board of Directors and will be published in the official calendar.

Any school participating in a cooperative team agreement may not form an individual team representing its own school in that activity.

Any member school participating in a cooperative team agreement is required to pay the IESA activity entry fee for that activity by the initial entry deadline for that activity and prior to participation in the cooperative agreement.

Written approval from the conference(s) of which the cooperating schools are members, and/or in which the cooperative team will participate, or, in the event the cooperative team will not be affiliated with a conference, written approval from a minimum of five schools included in the cooperative team's schedule of competition.

Duplicate team awards may be ordered by the IESA Office at the request of a non-sponsoring cooperative team. The cost of the extra awards shall be the responsibility of the requesting school.

Prior cooperative agreements may be renewed for a minimum of two years by signature of the board presidents after approval of the Boards of Education of the cooperating schools. If there are changes in the interschool agreement, a new cooperative application must be filed. Conference approval or opponent's approval is not required when a school renews the cooperative agreement and no changes have been made to the original agreement.

For school districts with more than six IESA member schools that form one district team in all activities, a district co-op team may be entered in the IESA state series when all of the following requirements are met:

- All schools involved in the co-op must be a member of the Illinois Elementary School Association;
- The co-op school team is the only team representing the schools involved in the co-op;
- All students participating for the co-op team must meet all eligibility guidelines;
- An application is filed with the Association listing all participating schools;
- Only one activity fee is required

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

- Q.** If a school adds a boys sport team by formation of a cooperative team, must it also add a girls sport team to its program?
A. Simply adding a team for one sex of students by forming a cooperative does not require corresponding action to add a team for the other sex of students. However, schools are bound by the provisions of the Illinois Sex Equity Rules, published by the Illinois State Board of Education. Questions in respect to these rules and the implications of cooperative teams in light of them should be referred to the Illinois State Board of Education.
- Q.** May a cooperative team be formed with out-of-state schools?
A. No.
- Q.** May cooperative teams be formed with non-IESA member schools from Illinois?
A. No. All schools involved in the cooperative agreement must be members. Membership is open to all schools in Illinois with grades five through eight.
- Q.** May a school form more than one cooperative team in the same sport?
A. No.
- Q.** May a school form a cooperative team with one school in basketball, a different cooperative team with another school in cross-country, and even a third cooperative team with yet another school in volleyball?
A. Yes. The provisions of this rule permit formation of different cooperative teams with different schools on a sport-by-sport basis. However, each cooperative team formed must undergo the complete process of approval by the boards of education and the IESA Office.
- Q.** May schools that form a co-op make cuts and/or limit participation opportunities?
A. While the goal of forming a co-op is to increase opportunities for students, it may become necessary to make a cut if the co-op team has too many members for the given activity. These decisions are up to the local districts to work out the details of who will be allowed to try-out and participate on the co-op team.
- Q.** May a school drop one sport such as fall baseball, in order to enter a cooperative team arrangement in another sport, such as cross-country?
A. Yes. The decision as to which sports to offer is exclusively the prerogative of each local board of education.
- Q.** Is there a deadline for filing application with the IESA Office for approval of cooperative teams for each activity for each school year?
A. Yes, the deadlines are published in the official IESA calendar.
- Q.** May a cooperative team agreement be formed during a sport season, in order to accommodate participating in the state tournament series that school year?
A. No. All cooperative teams for each school year must have applied to the IESA for approval no later than the cooperative agreement deadline for that activity. Applications received after that particular date will be denied for that school year.
- Q.** If two member schools, whose enrollments for a given year are 70 and 80 respectively, form a cooperative team, what enrollment will be used to determine the classification of the cooperative team?
A. Classification of the cooperative team will be based on the combined enrollment of the cooperating schools. In this case, 70 plus 80 equals a total of 150. This figure of 150 will determine classification for the cooperative team only. The individual schools will still be classified on the basis of their individual enrollments of 70 and 80 respectively for other sports.
- Q.** If two schools form a cooperative team for any school year, may they redraft their cooperative agreement and add a third school to the cooperative at the end of one year?
A. Yes, provided they file a new two-year agreement, and with approval of the conference (if applicable) and the Executive Director.
- Q.** If two schools form a cooperative agreement, and then after the season for that sport begins, interest wanes and there are not sufficient students participating to sustain the team or if the co-op simply is not working out between the schools, what is the status of the agreement if the administration and board of educations by mutual consent terminate the team's existence?
A. Each cooperative agreement must be written for a minimum of two years. The co-op can dissolve after one year provided the

administrators and Board of Education Presidents of all the schools in the co-op sign a letter requesting that the co-op dissolve listing the reasons why the cooperative arrangement is not working.

Q. May two schools form a cooperative team for any two school years, then subsequently consolidate with each other effective for the second year of the cooperative?

A. Yes. Consolidation of schools joined in a cooperative team agreement will simply supersede the cooperative agreement.

Q. Will the IESA approve a cooperative team application in the event all questions pertaining to contracts with other schools and/or officials are not mutually resolved?

A. It is not likely, though a judgment will be made in each individual case.

Q. If two schools have established a cooperative team, and the cooperative dissolves prior to the end of its two-year agreement, may either of the schools participate as an individual school in that activity before the termination of the cooperative agreement?

A. Yes, provided the reasons for dissolution of the cooperative team are extenuating circumstances accepted by the IESA Board of Directors. However, a school in this situation may not enter another cooperative agreement in this activity until the end of the two-year time period of the original cooperative agreement.

Q. If schools A and B form a cooperative team and then school B consolidates with or annexes to school C, is the cooperative team still in effect? In other words, is school C obligated to continue the cooperative which B had entered with A?

A. Consolidation and/or annexation actions may negate existing cooperative team agreements. Situations like this should be discussed when the possibility of consolidation or annexation exists.

Q. Which school will receive mail for the cooperative activity from the IESA Office?

A. Only the school sponsoring the activity.

Q. Can cooperating schools renew their agreements if they have changes?

A. No. They must submit a new application form and interschool agreement for approval.

Q. Does the initial cooperative application need approval of my conference?

A. Yes, provided you are a member of a conference. If you are not a member of a conference, then you need approval from five of your opponents. Speech and cheer co-ops do not need conference approval. Co-op renewals do not require conference approval if no changes have been made to the original agreement.

Q. If two schools have established a cooperative team and during the season for that sport, one of the two cooperating schools experiences a teacher strike may the cooperative team continue to participate during the strike or is it restricted under the terms of the IESA strike By-Laws?

A. The cooperative team will be affected by the strike By-Laws. Therefore, if either cooperating school experiences a strike, the students from the striking school will be restricted from competition for the duration of the strike. Students from the non-striking school may continue to participate. If the non-striking school is unable, due to insufficient numbers, etc., to fulfill the terms of contracted obligations, the cooperative team will be held in breach of contract.

DIVISION 3

3.000-----ATHLETIC BY-LAWS

3.010-----REGIONAL/SECTIONAL ENTRY FORMS

- 3.011** The Regional/Sectional Entry Form which is available only from the IESA website for each activity in which a school participates shall be used to list up to the maximum number of certified contestants for state tournament series play. Only those individuals listed on the Regional Entry Form are allowed to sit on the team bench during state series play.
- 3.012** In baseball, softball, basketball, volleyball, and scholastic bowl competition, principals of competing schools shall complete a copy of the Regional Entry Form using the online form that is available on the IESA website. Once the form has been completed, by clicking on the words "Update Entries" the information is automatically available to the regional host and to the IESA Office. Teams shall be ruled ineligible to compete in any tournament series contest unless this requirement is completed. The same exact procedure is used for completing the Sectional Entry Form for cross-country.
- 3.013** In wrestling, the on-line Regional Entry Form, must be completed by logging in to the IESA Member Center, and may list up to two certified contestants in each weight class for state tournament series play. The Regional Entry Forms will be available on-line for regional hosts to view. No changes may be made to the regional entries after the seeding meeting except for those that are detailed in By-Law 4.054. It is required that schools complete the Regional Entry Form by the Tuesday preceding the regional. Teams without contestants listed on a Regional Entry Form at the seeding meeting shall be disqualified from regional competition (By-Law 4.057). Teams shall be ruled ineligible to compete in any tournament series contest unless they have official entries at the seeding meeting (By-Law 4.057).
- 3.014** In track and field, each school entering the state series (whether entering a team or individuals) must submit its Sectional Participant Information via the Internet through the IESA Member School Center to the IESA Office. Sectional Participant Information must be completed within the time frame as detailed in the Track and Field Terms & Conditions. No changes may be made to the Sectional Participant Information after the seeding meeting. Contestants shall be allowed to participate only in those events in which they are entered. On the day of the sectional meet, there are no substitutions---only scratches.
- 3.015** It is the ultimate responsibility of each competing team entered in the state series to ensure that each participant listed on their Regional/Sectional Entry Form is eligible. Regional/Sectional hosts for all activities are also required to check each contestant on the Regional/Sectional Entry Form. Schools may make changes to the Regional/Sectional Entry Form anytime up until their first contest in the state series by going online, updating the form, and clicking on "Update Entries". Schools are not permitted to make any changes to the Regional/Sectional Entry Form after their first contest in baseball, softball, cross-country, basketball, volleyball, or scholastic bowl. No changes will be permitted after the seeding meetings in track and field. See section 4.054 for permitted changes in wrestling.
- 3.016** Advancing teams will not need to hand-carry or forward the Regional/Sectional Entry Form to sectional or state tournament hosts. Sectional hosts may check with the IESA Office if there is a question on the certification of a participant. Entrants for all state tournament contests shall be checked at the IESA Office.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Are coaches required to submit the online Regional Entry Form by the posted deadline?

A. Yes. Failure to do so will subject the school and contestants to penalty.

Q. If I have supplied my regional host with a copy of my baseball Regional Entry Form, must I have a copy for the sectional and state hosts also?

A. No.

3.020-----CLASSIFICATION BY ENROLLMENT

- 3.021** Seventh and eighth grade enrollment from the previous school year as reported to the IESA by the member school through the IESA Member Center shall determine the classification of each school for boys baseball, girls softball, girls and boys cross-country, girls and boys basketball, girls volleyball, scholastic bowl, and track and field after a tabulation of entries in each sport.

In softball, scholastic bowl, and track and field, an equal split of the number of entries will determine placement in Class A and Class AA. The highest 50% of the participating schools will be Class AA and the smallest 50% of the participating schools will be Class A. In baseball and cross-country, the teams will be divided equally into three classes each containing 1/3 of the participating schools. Girls and boys basketball and girls volleyball teams will be split into four equal classes each containing 25% of the participating schools.

For classification purposes, the total student enrollments for a K-7 only building, a 6th grade only building, a K-6 only building, or a K-5 only building will be as follows: For a K-7 building (or any building housing up to grade 7 only), the enrollment of the 7th grade only class shall be doubled; for a 6th grade only building, the enrollment of the 6th grade shall be doubled; for a K-6 building, the enrollment of students in grades 5 & 6 shall be used, for a K-5 building, the enrollment of the 5th grade shall be doubled.

When two or more schools consolidate or annex, the total student enrollment figures included in the Fall Housing Reports on September 30 of the preceding school year for all the schools involved in the consolidation shall be combined and the consolidated school shall be classified on the basis of this combined total student enrollment figure.

When a school joins the Association, and that school enrolled students during the previous school term, the total student enrollment figure used for classification purposes for that school shall be the total student enrollment figure reported by the school to the IESA Office as of September 30 of the preceding school year.

When a school joins the Association, and that school did not enroll students during the previous school term, the total student enrollment figure used for classification purposes shall be the total student enrollment figure reported by the school to the IESA Office as of September 30 of the current school year. An unofficial figure obtained from the school district may be used by the IESA for planning purposes.

When a school (or several schools) loses students due to the opening of a new school or schools in the same school district, or due to the deannexation of a major portion of the school district, the total student enrollment figures used for classification purposes shall be the total student enrollment figures reported by the school to the IESA Office as of September 30 of the current school year. An unofficial figure obtained from the school district may be used by the IESA for planning purposes.

When a school (or several schools) gains students due to the closing of a school or schools in the same school district, or due to the deactivation of a neighboring school district, the total student enrollment figures used for classification purposes shall be the total student enrollment figures reported by the school to the IESA Office as of September 30 of the current school year. An unofficial figure obtained from the school district may be used by the IESA for planning purposes.

3.022 **Petition for Variance:** Not later than April 1 of a given year, the principal of an IESA member school may submit a letter of application to the Executive Director for approval of a variance in a school's total student enrollment figure used for classification purposes if:

- a. there is an anticipated, verifiable twenty percent (20%) or more decrease (or increase) in total student enrollment for the ensuing school year for reasons deemed acceptable by the Board of Directors of the IESA.
- b. If such variance is approved by the Executive Director, the varied total student enrollment figure approved for a school shall be the enrollment figure used for classification purposes for that school during the ensuing school year.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Can a Class A school be moved and participate in Class AA in an activity by its own choice?

A. The Board of Directors has ruled this is not permissible and that each school must participate only in Class A or Class AA in each activity, dependent upon that school's enrollment. However, a school may be Class A in one activity and Class AA in another activity based on the enrollment cutoff for those activities.

Q. Can a school's enrollment possibly place them in Class 1A in seventh grade girls volleyball and then in Class 2A in eighth grade girls volleyball?

A. No. A school will always be in the same class at both the seventh and eighth grade levels in a given activity.

Q. How does IESA receive my school's enrollment?

A. In the fall of each year, school's submit their enrollment as of September 30 to the IESA through the IESA Member Center. This number can be compared to the official number submitted to the ISBE.

3.030-----SEASON LIMITATION IN ATHLETIC ACTIVITIES

- 3.031** During the school year, no member school shall organize its teams, hold tryouts, practice, scrimmage, or participate in any interscholastic sport outside of the season limitations as prescribed in Division 4.000 of these By-Laws for any activity in which it participates in the IESA state tournament series.

Illustrations for Section 3.030

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Must a member school which does not enter the IESA tournament series in basketball follow the basketball regulations contained in the By-Laws?

A. No. Member schools must abide by all regulations in activities at the grade levels in which they enter IESA tournament play.

Q. Is a scrimmage considered to be a practice or an interscholastic contest?

A. If a scrimmage or workout involves students from one member school only, it is considered to be practice. If students of more than one school are involved, it is an interscholastic contest and subject to all regulations pertaining thereto.

Q. Could a team representing a member school who participates in the IESA state series participate as a school team in summer tournaments?

A. Yes, provided the summer tournament is scheduled after the close of the school year for that particular team.

Q. Can basketball teams representing their schools participate in "shootouts"?

A. Yes, if such "shootouts" are held during the school year and during the school's basketball season, each game played during the "shootout" must count as a regular season interscholastic contest. If the "shootout" is held during the school year either before or after the school's basketball season, the school team could not participate.

3.040-----PARTICIPATION LIMITATIONS

- 3.041** No student is eligible to participate at the same academic grade level for two different school years in the same sport. This is true whether the student attended a member or a non-member school. Participation in one interscholastic contest in a sport constitutes one season of eligibility in that sport.

- 3.042** No student shall be a member of an interscholastic team using ninth grade or high school students. Athletic activities designated as seventh grade shall consist of contestants in grades five through seven. In all other athletic activities, fifth through eighth graders are eligible to participate. All contestants must meet required age eligibility standards as detailed in By-Law 3.050.

- 3.043** See Division 4.000 for limitations in individual sports.

Illustrations for Section 3.040

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. I have a 7th grade boy who I would like to play on both the 7th grade state tournament team and the 8th grade state tournament team. Is this allowed and if so, what is his eligibility for the following year?

A. A 7th grade student may play on both the 7th grade state tournament team and the 8th grade state tournament team. It has no effect at all on eligibility the following year as an 8th grader. Assuming he continues to meet all eligibility requirements and is an 8th grader the following year, he is eligible to play on the 8th grade team the next year. Local school policy may prevent an individual from playing on both the 7th grade and 8th grade tournament teams but the IESA does not prohibit an individual from playing on both levels.

Q. For purposes of determining whether a student can participate after being retained, when is a contestant considered to be a member of his or her school team?

A. A student is considered to be a member of the school team once he or she actually competes in a contest.

- Q.** Last year a student was in 7th grade in another city. The student is transferring to my building during the summer. The student did not fail, but the parents requested the student repeat 7th grade due to immaturity when the student transferred. Is the student who has transferred into my school participate as a seventh grader this year?
- A.** If the student participated in an interscholastic activity as a 7th grader in the previous school year, the student is ineligible for that activity this school year.
- Q.** A girl played in one softball game as a sixth grader last year. She is being held back and will repeat 6th grade this year. Is she eligible to participate in softball this year even though she is still in 6th grade and only played in one game last year?
- A.** No. She has used her sixth grade year of eligibility the previous year for that sport. However, if she did not participate in basketball, volleyball, track, or cross-country, she would be eligible for those activities this year.
- Q.** May a seventh grade boy who played on the seventh grade basketball team last year and was retained play up on the eighth grade team this year?
- A.** No, that is in the same sport and he has used his seventh grade basketball eligibility the previous year.
- Q.** Could a girl who is on her school girls basketball team participate with a non-school travel basketball team during the girls basketball season?
- A.** It depends on the school's policy regarding participation on a school team and a non-school team at the same time. If the school would permit this type of participation, then the girl would be eligible. If the school did not allow this type of participation and the girl participated in the non-school competition during the school season, she would be in violation of local school policy and not an IESA rule.
- Q.** Could a boy on his school's cross-country team participate in a five-kilometer run during the school's cross-country season?
- A.** This would be a local school/coach decision.
- Q.** Could a boy tryout for the school baseball team and practice with the school team while he is still a member of his summer Little League baseball team?
- A.** It depends on the school's policy regarding participation on a school team and a non-school team at the same time. If the school would permit this type of participation, then the boy could do both and be eligible. If the school did not allow this type of participation and the boy participated on the Little League team during the school season, he would be in violation of local school policy and not an IESA rule.
- Q.** May a student participate on more than one school athletic team at a time?
- A.** Yes. The IESA places no limitations on this. Member schools may have local restrictions against this.
- Q.** May a student participate in a tryout for a non-school team while a member of a school team in the same sport?
- A.** Yes.
- Q.** May a student participate in practice with a non-school team while a member of the school team in the same sport?
- A.** This is a decision made by each school. The school decides whether or not a student can practice with a non-school team while he/she is a member of a school team in the same sport.
- Q.** According to the IESA calendar, wrestling practice may begin November 26. Our school does not start the school season until January 15. May students from our school wrestle in IWF or IKWF tournaments from November 26 until January 15?
- A.** Check with your school for their policy. If they would allow a wrestler to participate in an IKWF tournament during that time, then you would be eligible to do so.
- Q.** A member of my boys basketball team played on a non-school team during our school's Christmas break despite repeated warnings I gave to the team to not play on non-school teams. What is the penalty?
- A.** The penalty would be determined by the local school if a local policy was broken.
- Q.** A member of our school's basketball team wants to participate with an indoor soccer team during the basketball season. Is this allowed?
- A.** Yes, provided your local school does not have a policy preventing this.

3.050-----AGE QUALIFICATIONS

- 3.051** For all seventh grade athletic activities sponsored by a member school, a student shall be eligible through age fourteen (14). If a student in a seventh grade athletic activity becomes fifteen (15) from the beginning date of practice in an activity as determined by the IESA standardized calendar through the final event in the seventh grade state tournament series in girls basketball, boys basketball, or girls volleyball, he/she is not eligible to participate in that activity. For boys and girls track, the final date of eligibility shall be governed by the member school's size classification.
- 3.052** For all athletic activities sponsored by a member school, other than activities designated as seventh grade activities as noted above, a student shall be eligible through age fifteen (15). If a student in an athletic activity becomes sixteen (16) from the beginning date of practice in an activity as determined by the IESA standardized calendar through the final event in the state tournament series in that activity, he/she is not eligible to participate in that activity. For boys and girls track, the final date of eligibility shall be governed by the member school's size classification.

- 3.053** A student shall be permitted to try-out only for those activities for which he/she is eligible by age.
- 3.054** Each student must provide the school principal with birth certification before practice or participation in any athletic activity. This must be a birth certificate or hospital record or a thermostatic copy of such. A baptismal certificate is not acceptable.
- 3.055** The school administrator shall be responsible for having birth certification on file for each athletic contestant prior to any practice or participation in any athletic activity.
- 3.056** The Executive Director shall rule on certification of any student who cannot meet the birth certification requirement on file.
- 3.057** The following procedures are established for an initial determination between member schools if there is a question regarding a contestant's eligibility due to age:

The administrator of the protesting school shall check with the administrator against whom a protest is made regarding age. A copy of the birth certification can be forwarded to establish the eligibility of the contestant.

If the protest cannot be worked out between the administrators of the two member schools, the Executive Director should be notified by the protesting school to determine eligibility.

If a contestant's ineligibility is verified by the Executive Director, the contestant's school is subject to the provisions of Section 5.070. In regular season contests, the ineligible contestant may be suspended from further competition in interscholastic contests for the remainder of the current season in that activity and the offending school from the state series in that activity.

If an age ineligible player has been used in a previous tournament contest and this is brought to the attention of the tournament host by an administrator of a participating school prior to the beginning of the next contest in which the ineligible player would participate, the Executive Director should be informed at once by the tournament host. If a contestant's ineligibility is verified by the Executive Director, the contestant's school is subject to the provisions of Section 5.070, and advancement by the losing team from that contest shall be in accordance with the "State Tournament Team Limitations" listed in Division 4 of these By-Laws. No previous tournament contest in which an ineligible contestant may have played will be replayed.

Q. What determines a sports season?

A. A sports season is defined as the beginning date of practice, according to the IESA standardized calendar, through the final state championship date for that activity. The final date for track is determined by a school's track classification--A or AA.

Q. I have an 8th grade boy who will turn 16 the day after the Class 1A boys baseball state finals. Is he eligible to play on my baseball team?

A. Yes. He is eligible the entire season including the state tournament series.

Q. I have an 8th grade girl who turns 16 the day of the girls softball sectional championship. May she play during the regular season, through the regional, and then not play at all in the sectional or state finals?

A. No. She is not eligible to compete in any softball games--regular season or IESA state series contests.

Q. May a 7th grade boy who turns 15 during the boys basketball season play on the 8th grade team instead of the 7th grade team?

A. Yes. Due to his age, the 8th grade team is the only team for which he can try out or compete.

Q. One of my 8th grade boys turns 16 the day of the basketball state championship. Even though my team will be defeated in the regional, thus making him 15 throughout the season, is he eligible to be on the 8th grade team?

A. No. He is not eligible to try out for the team or compete in any basketball games.

Q. What are the age cutoff dates for the 2016-2017 school year activities?

A. A student must be born on or after:

- September 18, 2000 for Boys and Girls Golf
- September 25, 2000 for Girls Softball
- October 2, 2000 for Boys Baseball
- October 16, 2000 for Boys and Girls Cross-Country

- December 9, 2001 for 7th Grade Girls Basketball
- December 16, 2000 for 8th Grade Girls Basketball
- January 22, 2001 for Cheerleading
- February 10, 2002 for 7th Grade Boys Basketball
- February 17, 2001 for 8th Grade Boys Basketball
- March 12, 2001 for Boys Wrestling
- March 15, 2002 for 7th Grade Girls Volleyball
- March 22, 2001 for 8th Grade Girls Volleyball
- April 9, 2001 for Girls and Boys Bowling
- May 14, 2002 for Class A 7th Grade Boys and Girls Track and Field
- May 14, 2001 for Class A 8th Grade Boys and Girls Track and Field
- May 21, 2002 for Class AA 7th Grade Boys and Girls Track and Field
- May 21, 2001 for Class AA 8th Grade Boys and Girls Track and Field

Q. May a girl who will turn 15 during the 7th grade girls basketball season tryout for the 7th grade team?

A. No. She may only try out for the 8th grade team since this is the only team for which she is eligible by age.

Q. According to the IESA standardized calendar in a given year, the Class A state track finals end May 14. Am I correct that if a Class AA 8th grader who turns 16 on May 17 is ineligible to participate in track for the entire season while a Class A 8th grader who turns 16 on May 17 would be eligible for the entire season?

A. Yes. The eligibility of a Class A track participant will always end one week earlier than for a Class AA track participant due to the different state final dates.

Q. Why is a baptismal certificate not acceptable as proof of birth?

A. The Board of Directors has ruled that only a birth certificate or hospital record shall be accepted. As the baptismal certificate is provided by a church, it is not deemed to be legal enough for our purposes to establish a contestant's date of birth.

Q. May a student try out or practice with a team before the student provides a birth certificate?

A. No. It must be on file with the school. It is the administrator's responsibility to let coaches know whose certification is on file.

Q. What happens when I have protested a student's age and the administrator of the opposing school refuses or cannot produce birth certification?

A. The Executive Director should be notified immediately.

Q. What happens if an ineligible player has been found to have been used in a tournament game after the completion of the state tournament?

A. The school is still subject to penalty and could be determined to forfeit all games and awards.

3.060-----PHYSICAL EXAMINATION

3.061 No student shall be permitted to compete in a try-out, practice, or game unless such student has filed with the school principal a certificate of physical fitness issued by a licensed physician, physician's assistant, or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding such tryout, practice, or contest in any athletic activity.

3.062 Any student who is not allowed to participate in interscholastic activities as the result of a physician's directive may not return to play until they have received written clearance from a physician.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Is a physical examination administered by a chiropractor acceptable for athletic purposes?

A. The athletic physical examination must be administered by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes. The physician must be one who is licensed to practice medicine in all its branches. Some chiropractors have this kind of licensing from the *State of Illinois* and some do not. The chiropractor's physical examination is acceptable only when the physician is licensed to practice medicine in all its branches.

Q. Why can a physician's assistant or nurse practitioner administer a physical?

A. On July 19, 2002, former Governor George Ryan signed into law Public Act 92-0703, granting signature authority to physician's assistants and nurse practitioners for school physicals ("Physicians licensed to practice medicine in all of its branches, advanced practice nurses who have a written collaborative agreement with a collaborating physician which authorizes them to perform health examinations, or physician assistants who have been delegated the performance of health examinations by their supervising physician shall be responsible for the performance of the health examinations.")

Q. Must the form provided by the IESA be used for physical examinations?

A. No. This form is provided only as a service and is optional for use by member schools. Some form which may be maintained for the school's records must be used.

Q. Why must a student have a physical examination to try out for an athletic activity when the student may shortly be cut from the team?

A. The Board of Directors feels this gives each member school liability protection. The possibility of an unknown illness or an injury is as likely in a tryout situation as in a game situation.

Q. What is meant by "395 days" in terms of this rule?

A. "395 days" means literally 395 days from the date of the physical until a new physical is required.

3.070-----AMATEURISM

3.071 As the result of participating in the IESA state series (regional, sectional, state) a student in a member school may accept any award (except cash) which does not exceed \$100.00 in fair market value, in the following sports: baseball, basketball, cross-country, softball, track, volleyball, wrestling, bowling, and golf.

3.072 A student in a member school may accept a school letter for an interscholastic sport, regardless of cost.

3.073 Violation of the provisions of By-Law 3.070 shall cause ineligibility in the sport in which the violation occurred. An official ruling must be secured from the Executive Director before any student who violates these rules may be reinstated to eligibility.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. If a student participates in a road race sponsored by (1) a local business; (2) a private running club, may the student receive awards that are greater than \$100 for winning or placing in the race?

A. In both of these instances a student may accept any prize or award. IESA amateur rules apply only to awards received as the result of participating in IESA state series events. Since these awards were given as the result of participating in non-school events, students are free to keep any awards given.

Q. May a student accept a meal at a restaurant and a plaque in recognition of advancing to the IESA finals in a given sport?

A. The food prize and the plaque are acceptable as long as the fair market value of the items combined is no more than \$100.

Q. May a student accept a trophy valued at \$125 for winning a non-school competition?

A. Yes.

Q. May a student accept a trophy valued at \$50 for making the most consecutive free throws during a sectional basketball game?

A. Yes.

Q. May a student accept a \$25.00 cash prize because she made the winning shot in the regional championship game?

A. No.

Q. If a school team wins the state championship, may team members receive items such as gift certificates for dinners, jackets, sweaters, watches, etc., in recognition of the team's accomplishment?

A. Gifts such as these are permitted as long as the total of the gifts received does not exceed \$100.00 in "fair market value".

Q. Is it acceptable if, by virtue of a student's performance in the IESA state series, the student is awarded:

(a) \$100 in the form of a scholarship

(b) \$100 donated to the scholarship fund of the student's choice

(c) \$100 donated in the student's name to charity

(d) \$100 donated in the student's name to the athletic program at the school.

A. IESA By-laws prohibit a student from receiving any amount of cash for participating in the IESA state series. This is true even if the reward is delayed for presentation following the student's graduation from school. Consequently, example (a) is not permitted, but examples (b), (c), and (d) are acceptable, since the student personally does not and will not receive any cash or merchandise.

Q. If a student plays on a community sports team, and that team wins \$500 cash in a tournament, is the student in violation of the amateur by-laws?

A. No. The rules apply only to receiving awards for performance in IESA state series contests. Cash won in a non-school activity or prizes won in a non-school activity that exceed \$100 in fair market value are allowed because it is non-school activity.

Q. May a student participate in a "jog-a-thon", "swim-a-thon", or other "...thon" activity and receive cash or merchandise prizes for fund-raising efforts?

A. Yes.

Q. Does acceptance of reimbursement of expenses for non-school competition constitute an amateur rule violation?

A. No. IESA amateur rules apply only to awards received as the result of participating in IESA state series events.

Q. May a student coach, teach, or officiate an athletic contest for pay?

A. Yes. The rule refers exclusively to actual playing. An individual may be paid for services performed.

Q. If a student violates the amateur rules, how and when is the penalty affected?

A. Violation is penalized with a period of ineligibility. A report of the violation must be made to the IESA Office for determination of the term and effective date of ineligibility. In addition, the reward must be returned or surrendered, at the direction of the Executive Director.

Q. May a member school athlete accept a cash or merchandise prize won through a drawing or raffle at a high school athletic contest?

A. Yes.

Q. Does the amateur rule apply to events such as three-player basketball, i.e. *Gus Macker* tournament, ten-player softball, 5k or 10k road races, etc.?

A. No. The amateur rules apply only to "IESA state series activities".

3.080-----PARTICIPATING UNDER AN ASSUMED NAME

3.081 In the event students participate in interscholastic competition under any other name than their own, the principal shall immediately suspend violators from further interscholastic participation. The future interscholastic participation of violators and/or persons contributing to a violation shall then be considered by the Board of Directors.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. To what does the term "interscholastic competition" refer in this rule?

A. "Interscholastic competition" is a competitive situation in which the student represents his or her school and is sponsored or otherwise directly connected with his or her school.

Q. Could a coach be held responsible for submitting students in competition using names other than their own?

A. Yes. The school, the coach, and the students would all be subject to penalty for violation of this By-Law.

3.090-----COACHING SCHOOL PARTICIPATION

3.091 A student who is a member of the school team in a sport may participate, depending on local school district policy, in any coaching school/camp during that interscholastic sport season.

3.092 A coaching school/camp is defined as any program sponsored by an organization or individual which provides instruction in sports theory and skills to groups of persons.

3.093 Students may participate in and/or receive private lessons, school physical conditioning programs, and be used for demonstration purposes in coaches' clinics.

Q. Could a student attend a clinic on the proper technique for shooting free throws during the basketball season?

A. Yes. The rules now allow for a student to attend a camp or coaching clinic during the sport season.

3.100-----ALL-STAR PARTICIPATION

3.101 No athletic team from any member school may compete against an "all-star" team.

Illustration for Section 3.100

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Could an athletic conference make up an All-Star team from the other member schools in the conference to play the conference winner?

A. No, this would be in direct violation of this By-Law.

3.110-----MIXED TEAM (GIRLS ON BOYS TEAMS) REGULATIONS

IESA is not an enforcement agency when it comes to determining a school's compliance with Title IX and the Illinois Sex Equity Rules. The Illinois State Board of Education (ISBE) monitors the Federal law and the Illinois Sex Equity Rules (23 Illinois Administrative Code 200) that require school districts to offer athletic programs that accommodate the interests and abilities of both sexes to a comparable degree. IESA member schools seeking a waiver for female athletes to participate on boys' teams must demonstrate and provide assurance to ISBE of compliance with 23 Illinois Administrative Code 200.80.

3.111 Notwithstanding the requirement of Section 2.012, and prior to any tryout, practice or game participation, the principal of a member school desiring to participate in an activity designated as a boys athletic activity, with a team comprised of both boys and girls shall:

- (1) Complete and submit the Gender Equity in Athletics Waiver Application that is available through the Illinois State Board of Education's (ISBE) Web Application Security System (IWAS). This online application replaces the paper form ISBE 33-95.

Please note the following:

****Paper applications to the Illinois State Board of Education will no longer be accepted.**

****The application process for any sport in which a school wants permission to participate with a girl on a boys team must be completed prior to any tryout, practice or game participation by the girl.**

****The ISBE IWAS application will require review by the District Superintendent, the Regional Office of Education Administrator, and finally the ISBE Administrator who will issue final approval.**

****The application does not have to list the names of the girls who wish to compete on the boy's team.**

****The application may list multiple sports if you need to get permission for more than one sport.**

****Questions concerning the completion of the form can be sent to:**

- (1) After submitting the ISBE IWAS application, you must send the IESA Office some type of communication (email, FAX, or written letter) that you have started the online application. Conditional approval for the girl(s) to play on the boy's team shall be automatic upon receipt of this communication. Conditional approval allows a school to permit a girl to tryout, practice, or participate in interscholastic boys athletic activities without penalty, pending the final compliance ruling from the ISBE.
- (2) The Illinois State Board of Education will notify both the member school and the IESA Office when compliance with the Illinois Sex Equity Rules is determined. A school in compliance will then receive a final letter from the IESA to compete with a girl on a boys' team.

- (3) Applicant schools that have been determined to be in compliance with the Illinois Rules and received waivers will be considered to be in compliance for the entire school year. Female athletes will therefore be eligible to participate on sports teams not identified on the original waiver application and where permitted by IESA by-laws. In such instances member schools must communicate additional participation requests to the IESA via e-mail, FAX, or written letter.

Note: If you have questions about whether or not your school's interscholastic athletic program is in compliance with the Illinois Sex Equity Rules and/or Title IX, contact Jeff Aranowski, (312) 814-2223 or jaranows@isbe.net.

- 3.112** A girl having participated as a member during a school year on a team shall not be eligible to participate on a boys team in that sport or comparable sport during one school year, except that a girl in grades 5-7 may participate on an eighth grade team in the same sport in the same year.
- 3.113** When a contract has been signed to participate in a single-sex sport and a school offers a mixed gender team, the other school must be notified prior to the contest of the mixed-gender team.
- 3.114** In the sports of golf, cross-country, basketball, bowling, and track and field when the school offers both a boys team and a girls team, girls must participate on the girls team in that sport. Boys are not eligible to participate on girls teams. See By-Law 3.115
- 3.115** Boys are not eligible to participate at any time on any school athletic team designated as a team for girls only. Such athletic teams shall include: girls softball, girls cross-country, girls basketball, girls volleyball, girls track and field, girls bowling, and girls golf.

Q. If a member school does not offer a boys team or a girls team in a sport in which the IESA sponsors both a boys and a girls state tournament competition or series, and there is an option to compete for individual honors, can a girl enter the boys state series?

A. No, the school will be permitted to enter a girl in the girls state tournament series only.

Q. If a member school offers a girls team but no boys team in a sport in which the IESA sponsors both a boys and a girls state tournament competition or series, can the school enter a girl into the boys state series?

A. No, the school will be permitted to enter a girl in the girls state tournament series only.

Q. Our school offers both 7th and 8th grade girls and boys basketball. Can our girls basketball players play on both the girls basketball team in the fall and then also play on the boys basketball team in the winter?

A. No, when a school offers the same sport to both the girls and boys even though they are in different seasons, the girl must play on the girls team and the boys must play on the boys team.

Q. Our school only offers 7th grade basketball for girls but offers both 7th and 8th grade boys basketball. Can our 7th grade girls basketball players play for the 7th grade girls team and then the 8th grade boys team?

A. Yes. Given that a 7th grade student, a boy or a girl, can play at both the 7th grade and 8th grade level, the 7th grade girl would be given her opportunity to participate on the 8th grade level by participating with the 8th grade boys team.

Q. Can a girl who is participating on the boys team during the season also compete in a girl's meet or contest?

A. Yes, however by competing in a girl's meet or contest that school has established a girl's season and therefore she would no longer be eligible to compete for the boy's team.

Q. If a member school offers both a girl's team and a boy's team in the same sport but in different seasons, can the girl participate on the boy's team?

A. No, that school will be permitted to enter a girl in the IESA girls state tournament series only in that sport, even though the boys and girls tournaments may occur in different seasons.

Q. Can a girl, who has participated on the boys team during the regular season, compete in the boys state series instead of the girls state series?

A. Yes. If a member school offers a boys team but no girls team in a sport in which the IESA sponsors both a boys and a girls state tournament series, and in which students may compete for individual honors, the school will be permitted to enter a girl in the boys state tournament series provided she has participated on the boys team in that sport during the regular season.

Q. Can a girl who has participated on the boys team during the regular season, opt to compete in the girls state series instead?

A. Yes. The school may elect to enter the girl to compete for individual honors in the IESA girls state tournament series in that sport. However, a school will not be permitted to enter a girl in both the IESA boys and girls state tournament series in that sport.

3.121 Regional tournaments for baseball, softball, basketball, and volleyball shall be seeded as follows with four to nine teams assigned:

In four-team tournaments, seed #1 vs. seed #4 in game 1 and seed #2 vs. seed #3 in game 2. Winners of games #1 and #2 then will play for the championship.

In five-team tournaments, seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #2 vs. bye and seed #3 vs. bye in the bottom bracket. In the second round, seed #1 plays winner of game 1 in game 2 and seeds #2 and #3 play game 3. Winners of games #2 and #3 then will play for the championship.

When a five team basketball regional is played in two days, the playing schedule shall be as follows: seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #2 vs. bye and seed #3 vs. bye in the bottom bracket. In the second round, seed #2 vs. seed #3 in game 2 and then the winner of game 1 plays seed #1 in game 3 all on day one. Winners of games #2 and #3 then will play for the championship on day two of the tournament.

In five-team volleyball tournaments when the tournament is played in one night, seed #1 vs. bye and seed #4 vs. seed #5 in match 1 in top bracket; seed #2 vs. bye and seed #3 vs. bye in bottom bracket. In the second round, seed #1 plays winner of match 1 in match 2 and seeds #2 and #3 play in match 3. Winners of matches #2 and #3 then will play for the championship. However, it is recommended that five team volleyball tournaments be played in two nights.

In six-team tournaments, seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #3 vs. seed #6 in game 2 and seed #2 vs. bye in bottom bracket. In the second round, seed #1 plays the winner of game 1 and seed #2 plays the winner of game 2. Winners of games #3 and #4 then will play for the championship.

In seven-team tournaments, seed #1 vs. bye and seed #4 vs. seed #5 in game 1 in top bracket; seed #2 vs. seed #7 in game 2 and seed #3 vs. seed #6 in game 3 of bottom bracket. In the second round, seed #1 plays winner of game 1 and winner of game 2 plays winner of game 3. To complete this tournament in three days and avoid the playing of more than one game per day by any team, it would be necessary to play games 1, 2, and 3 on the first day.

In eight-team tournaments, seed #1 vs. seed #8 in game 1 and seed #4 vs. seed #5 in game 2 in top bracket; seed #2 vs. seed #7 in game 3 and seed #3 vs. seed #6 in game 4 in bottom bracket.

In nine-team tournaments, seed #8 vs. seed #9 in game 1 in the top bracket; seed #1 vs. winner of game 1 in game 2 and seed #4 vs. seed #5 in game 3 of top bracket; seed #2 vs. seed #7 in game 4 and seed #3 vs. seed #6 in game 5 in bottom bracket. Games 1 and 2 cannot be played on the same day except in girl's volleyball; therefore, this tournament will take four days to complete.

3.122 In the sports of baseball, softball, basketball, and volleyball, regional seeding shall be conducted using an online procedure. In general, seeding shall be done as if an actual meeting were taking place using traditional seeding criteria except that the procedure is done online rather than an actual meeting. Please refer to the Terms and Conditions and the IESA standardized calendar for the respective activity for the timeline for online seeding. All schools entering the baseball, softball, basketball, and/or the volleyball state series will enter the following information online to assist with the seeding process.

- Team Record
- Season Schedule with Results
- Regional Entry Form
- Special Comment Section on your Team's Season

ONLINE SEEDING PROCEDURES/INFORMATION

Note: No school may enter the state series unless they have participated in at least three interscholastic contests in that sport prior to the seeding meeting.

A school that fails to enter their season schedule, results, and Regional Entry Form by the online roster and record deadline has no say regarding any seed.

Factors to consider in seeding

- a. Season Record
- b. Quality of team's competition
- c. Smaller schools (1A or 2A) schools competing against larger schools (Class 3A or 4A)
- d. Head to Head competition
- e. Record against common opponents
- f. Roster of the post season team i.e. a 7th grader who has played on the 8th grade team all year but will play on the 7th grade team in the state series or a 7th grader who has played only 7th grade all year but will also play on the 8th grade team in the regional may be the basis for giving a higher seed.
- g. Each school shall rate all teams assigned to the regional except their own.

The IESA will confirm all seeds and break any ties.

Each host school should remind the school representatives that the IESA has the right to review the seeding. If it becomes apparent that some representatives have purposely rated teams in a position that cannot be justified, appropriate actions may be taken by the IESA Office to correct the problem. We do not anticipate having to do so because we believe that our member school representatives will exercise the integrity and sportsmanship they expect in return.

3.123 See Section 4.057 for wrestling seeding procedures.

3.124 See Section 4.073 for sectional track seeding procedures--**NOTE: ATTENDANCE AT THE TRACK SECTIONAL SEEDING MEETING IS MANDATORY.**

3.125 A team withdrawing from competition following the online ranking deadline shall be declared as a forfeit. The remaining teams shall not be re-seeded. If a scholastic bowl team drops after the online seeding process, the teams shall be re-seeded.

3.126 The following penalties are in effect for schools that fail to submit their online roster/record and/or seeding information by the posted deadlines in the activities of girls softball, boys baseball, cross-country, girls volleyball, boys and girls basketball, boys wrestling, boys and girls track and field, and scholastic bowl:

- a. First offense: School will be placed on probation.
- b. Second consecutive offense: School will be able to participate in the state series of the current year but will not be able to participate in the state series the following year unless the school pays a \$250 fee for reinstatement to the state series.

3.130-----GENERAL RULES FOR IESA ATHLETIC ACTIVITIES

3.131 In regional, sectional, and state final tournament play, the host school shall not make its gymnasium or playing fields available to the visiting teams for practice sessions. This provision does not apply to sectional and state cross-country hosts.

3.132 During IESA state series tournaments (regional, sectional, state finals) games, the displaying of signs, banners, placards, balloons, or constructed frames through which players run is prohibited. Such devices obstruct the view of spectators, are unsightly, and in many instances may become safety hazards. Local tournament managers should not permit these devices to be brought into the playing areas.

Q. My starting pitcher is removed from the mound during the third inning but remained in the game as the shortstop. Can he return to the mound in the 5th inning to finish the game as the pitcher?

A. Yes, assuming he has sufficient numbers of daily/weekly inning eligibility remaining. Starting pitchers can return to the mound once per game.

Q. I removed my starting pitcher from the game in the second inning and he returned to the mound in the 4th inning. Because he does not hit very well, I want to pinch hit for him in the 6th inning. What is his playing status if I pinch hit for him?

A. In this instance, the player has to be removed from the game. Although you legally entered him back in the pitching position (starting pitchers may re-enter as the pitcher once per game) once you pinch hit for him, regulation re-entry rules prohibit him from re-entering the contest.

Q. I removed my starting pitcher in the 4th inning. He did not stay in the game. Can he re-enter in the pitching position to get the final out of the game?

A. Yes, assuming he has sufficient number of daily/weekly inning eligibility remaining and he re-enters according to the re-entry rules.

Q. I brought in a relief pitcher to face one batter in the 5th inning. After he retired that batter he stayed in the game as the right fielder. Can he pitch to one batter in the bottom of the 7th inning?

A. No. Relief pitchers once removed from the mound cannot return to the game as the pitcher.

Q. Our game was suspended due to weather conditions in the middle of the 4th inning. Can my pitcher complete the game the next day?

A. The pitcher can pitch a maximum of 9 innings on two consecutive days. If the pitcher has thrown five innings, then he could throw 4 innings the next day.

Q. My team has advanced to the semi-finals of the Class 3A state tournament. Can my pitcher throw 5 innings in the semi-final game and then come back and throw 2 innings in either the third place or championship game?

A. Yes, provided your pitcher has seven innings of eligibility that day.

Q. My pitcher has pitched 7 innings. The score is tied after 7 innings. May he continue to pitch in the 8th inning since the game is tied?

A. No. A pitcher is allowed a maximum of 7 innings in one day. A pitcher who pitches one pitch more than 7 innings is an ineligible player at that point and the game shall be forfeited in accordance with By-Law 5.071.

4.016 Pitching Limitation Penalty

No member school participating in the boys and/or girls cross-country state series shall organize, hold tryouts, or practice prior to Monday of Week 5 in the IESA standardized calendar. There is not a maximum number of season contest limitations.

A member school may conduct its first interscholastic contest in boys and/or girls cross-country no earlier than Saturday of Week 6 and its last interscholastic contest in boys and/or girls cross-country no later than Saturday of Week 17 in the IESA standardized calendar.

Only schools which have an established school team which have participated in at least three (3) interscholastic contests prior to the sectional meet in that sport during the current season may participate in team competition in Association-sponsored meets or tournaments.

4.033 IESA State Tournament Team Limitations

Full teams shall consist of a minimum of five to a maximum of seven students. No changes may be made to the Sectional Entry Form after the sectional meet.

A member school may elect to enter one to four individual runners rather than a full team, without being eligible for team awards.

Boys and girls cross-country races shall be held separately, although boys and girls meets shall be held on the same date at the same location.

A maximum of 10 runners may be listed on the Sectional Entry Form. Up to seven of the 10 may run in the sectionals. If a school runs more than seven individuals in the sectional race, all runners in that race from that school will be disqualified and may not advance to the state meet. For purposes of advancement, teams shall be considered to consist of those runners who participated in the sectional. However, any runner whose name appears on the Sectional Entry Form may be used as a substitute at the state final provided the runner remains eligible for the meet. The Sectional Entry Form has to be completed on-line and must be submitted by 12 noon on the Wednesday preceding the sectional. No changes may be made to the Sectional Entry Form after it has been submitted. Failure to submit the entry form as required will result in disqualification from the sectional.

The first, second, and third-place sectional teams plus the top five individuals not on the first, second, or third-place teams shall advance to state level competition. In addition, in the event the 6th, 7th, 8th, 9th, or 10th place individual overall finisher in the sectional is not on a qualifying team, such 6th, 7th, 8th, 9th or 10th place overall finisher in the individual race shall advance from the sectional to the state final meet. For purposes of advancement of teams from sectionals to the state final, if a tie occurs at the **last qualifying spot**, the teams tied advance to the state final. The number of sectionals will be determined by the number of state series entries.

In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. If a five-member cross-country team advances to state competition from the sectional, what happens if one member is unable to run due to illness, ineligibility, or absence?

A. The other four members will run as individuals. The individuals will not be eligible for team awards.

4.034 Exceptions to National Federation Rules

Distance for both boys and girls shall be set at 3200 meters with boys and girls running in separate races. [9-1-1]

The finish line for all regular season meets and invitationals, as well as the IESA state series meets shall be at the mouth of the chute. At the state final meet, computer scoring shall be used. The computer tag will be attached to the bib number. Essentially the chip is used as a timing device. The NFHS Track and Field and Cross-Country Rules Book allows for this scoring method. The finish line area shall be set-up in accordance with National Federation rules. [9-1-3; 9-3-3]

Sectional hosts that do not use a chip scoring/timing system must have their finish line in accordance with NFHS rule 9-1-3 (d). The finish line for all sectional meets shall be at the mouth of the chute. [9-1-3]

One false start shall be permitted each contestant in each race. [9-7-1]

Names and/or numbers of identical color and design on the same place of all members' uniforms shall be ruled identical. [9-6-4]

Uniforms may be taped or knotted when done for the purpose of allowing a better fitting uniform. [9-6-1(b-4)]

A race **MAY (not shall)** be recalled by the starter if a runner falls in the first 100 meters due to contact with another runner. [9-4-4-a]

Unapproved adornment devices shall not be worn. [9-6]

4.035 Scoring and Awards

In cross-country sectional and state meets, the top five finishers shall be counted toward team standings. When meets include both team and individual entries, see Situation Rule 9-2 in the National Federation Track and Field Case Book for scoring procedures.

Prior to the sectional awards ceremony, the sectional host manager shall conduct a meeting of all coaches assigned to the sectional at which time the sectional results will be shared. Coaches who believe the results may be incorrect shall immediately bring it to the attention of the local manager.

A plaque shall be awarded to the teams finishing first, second, and third at each sectional. Trophies shall be awarded to the champion, runner-up, third place, and fourth place teams in each class at the state meet.

Ten individual ribbons will be presented to the competitors of the first, second, and third place team winners in sectional competition. A medal shall be given to the individual winner of each sectional race. Ribbons will be presented to the runners finishing 2-10 at sectional cross-country meets. Medals will be awarded to the top 25 individuals in each class at the state cross-country meet.

Fifteen individual awards will be presented to the competitors of the first, second, third, and fourth place team winners in each class at the state final competition.

4.040-----BOYS AND GIRLS BASKETBALL

4.041 Regional, sectional, and state level competition shall be held for Classes 1A, 2A, 3A, and 4A in both the seventh and eighth grades. Regional and sectional competition sites will be assigned by the IESA Office. If a regional or sectional site is not assigned by the IESA Office, then schools assigned to that regional/sectional may contact the IESA Office to indicate their willingness to host a state series contest. When inclement weather alters the designated playing site of a regional tournament game, the higher seeded team will host the game(s) unless schools mutually agree to a different site. When inclement weather alters the designated playing site of a sectional tournament game, the playing site will be determined by a coin-flip. Actual state series competition dates shall be in accordance with the IESA calendar. No eighth grade regional tournaments will be permitted to be scheduled on seventh grade sectional dates. Sectional hosts shall not schedule regular season contests of any activity on sectional dates. It is recommended that regional competition be scheduled in the evening hours to increase receipts and minimize the assessment to participating schools. Bids for regional, sectional, and state tournament sites shall be forwarded to the IESA Office. See Section 3.120 for seeding procedures.

Q. I am a sectional host and will be hosting a regular season contest in an auxiliary gym in my facility. Separate dressing rooms will be used for the regular season contest. Is this allowed?

A. Yes. The primary playing court reserved for the sectional game nor the locker rooms that would be used for this game would be affected.

Q. I am hosting a girls' basketball sectional. Can I conduct a boys' basketball practice on the sectional game floor prior to the sectional game?

A. Yes. If the practice is being held on the sectional game floor, the practice must be concluded and the locker rooms vacated at least one hour prior to the scheduled game time.

Q. I am serving as the host for our boys basketball regional. My school dismisses students at 3:10 p.m. and our regional is scheduled to start at 6:00 p.m. May I conduct a practice for my team on the day of the regional in my school gymnasium where the regional is played?

A. Yes, as long as your practice is completed by 5:00 p.m. Host schools are only allowed to practice in any of the school's facilities until one hour prior to the start of the game.

Q. My school is serving as the regional host. I have an auxiliary gymnasium that I would like to practice in because the main gymnasium, which is the site of the actual regional, is occupied immediately after school. May I practice in this auxiliary gymnasium?

A. Yes, but only until one hour before the start of the regional contest. After that you may not practice in the auxiliary gymnasium or the main gymnasium as schools are only allowed to practice in any of the school's facilities until one hour prior to the start of the game.

4.042 Season Limitations

No member school participating in the girls basketball state tournament series shall organize, hold tryouts, or practice prior to Monday of Week 9. No member school participating in the boys basketball state tournament series shall organize, hold tryouts, or practice prior to Monday of Week 16 in the IESA standardized calendar.

A member school may conduct its first interscholastic contest in girls basketball no earlier than Saturday of Week 10. The last interscholastic contest in girls basketball shall be no later than December 23. A member school may conduct its first interscholastic contest in boys basketball no earlier than Saturday of Week 17. The last interscholastic contest in boys basketball shall be no later than Saturday of Week 36 in the IESA standardized calendar.

Only schools which have an established school team which has played at least three (3) interscholastic contests prior to the online roster and record deadline in that sport during the current season may participate in team competition in Association-sponsored meets or tournaments. Failure to do so will result in suspension from the state series.

4.043 Team Limitations

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. In prior years, I could only schedule a maximum of two tournaments. Am I correct that the rule would now allow me to schedule five tournaments as long as the total number of games between tournaments and regular season games does not exceed 22?

A. Yes. A team may now play any combination of regular season games and regular season tournaments as long as the total number of games played does not exceed 22. A team entering regional play with more than 22 games played would be in violation of this rule.

Q Does a scrimmage against another school team qualify as a game?

A. Yes. An interscholastic scrimmage is considered a game, must count toward your total game limitation, and should be reported on your regular season schedule.

4.044 IESA State Tournament Team Limitations

Each tournament team shall consist of a maximum of 15 uniformed girls for girls' teams and/or 15 uniformed boys for boys' teams whose names appear on the Regional Entry Form. Each school entering the basketball state series must submit its Regional Entry Form via the internet through the IESA Member School Center to the IESA Office. Changes, additions and/or substitutions may be made to the Regional Entry Form information until that team begins regional play.

Basketball warm-up periods shall be limited to 15 minutes in all tournament play.

All tournament play shall be single elimination with the winning team advancing from regional to sectional and from sectional to state level competition. If an opponent incurs a violation in the state series that requires a contest or contests to be forfeited, the following policy will be followed:

- If the violation affects only one round of competition, the opponent within that round will be advanced on to the next round of competition within the state tournament series.
- If the violation affects more than one round of competition, no opponent from the preceding rounds of competition shall be advanced to the next round of competition within the state tournament series.
- The advancement of opponents shall be determined by the IESA Office.

For a team competing in two regional games in one day, the time between the start of the first regional game for that team and the start of the second regional game for that team must be a minimum of three (3) hours.

4.045 Individual Limitations

For regular season contests and all tournaments (regular season and state series), students shall be limited to a maximum of eight (8) quarters per day. Participation in a quarter shall mean that a student actually competes (regardless of the length of time) in the quarter.

Students may participate in either or both grade levels of the IESA state tournaments for which they are qualified. Eighth graders are never permitted to play on seventh grade teams. Seventh graders are never allowed to participate on sixth grade teams.

Students in 5th or 6th grade who participate on the school's 7th and/or 8th grade teams must abide by all IESA rules and regulations only during the IESA season for the given activity.

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

Q. Can a 7th grader play 4 quarters in a 7th grade game tournament and later that day play in an 8th grade tournament?

A. Yes. Beginning with the 2007-08 school season the By-Law was modified to allow a student to play no more than 8 quarters a day in regular season tournaments.

4.046 Exceptions to National Federation Rules

The smaller basketball has been adopted for IESA girls state tournament play. [1-12-1d& e]

*Undergarments shall be a single solid color similar to the torso of the jersey and shall be hemmed and not have frayed or ragged edges. If the undershirt has sleeves, they shall be the same length. [3-5-6] **Note: This exception removes the logo restriction. At the IESA level, undergarments that have more than one logo and/or the logo size exceeds what is allowed by NFHS rule, shall be legal.***

Host schools shall provide a black and white striped garment to be worn by the official scorer for all games as required by NFHS rule. [2-11-11 note]

All games shall consist of six-minute periods. Overtime periods shall be three minutes. Member schools may play away basketball games with seven-minute quarters with member schools of the Southern Illinois Junior High School Athletic Association. [5-5-2, 5-7-3]

The Association has adopted the use of a 14 ft. coaching box for basketball. [1-13-2]

The Association has adopted a "mercy" rule for all regular season contests, tournaments and the IESA state series (regional, sectional, and state). [5-5-3 note]

The following guidelines for the administration of the mercy rule shall be used:

- i. A running clock shall be utilized during the fourth quarter in contests with a 30 point differential in score.
- ii. Once the clock begins running continuously because of the point differential, it is to remain running for the rest of the contest, even if the point differential drops under the 30 point barrier during the fourth quarter.

- iii. If a contest should begin its fourth quarter with a 30 point differential in score or greater, the entire fourth quarter will be played with a running clock. The running clock shall not be used prior to the fourth quarter of any contest.
- iv. If, while using the running clock because of the point differential and the trailing team somehow tied the contest at the end of regulation, any and all subsequent overtime periods would be played using the continuous clock.
- v. The running clock would only be stopped once it starts for the following:
 - 1. A team timeout,
 - 2. To replace a disqualified player,
 - 3. To administer a technical foul,
 - 4. To attend to an injured player,
 - 5. Any other situation of concern to an official.

It is recommended a safe area be in place for all state tournament series contests as determined by the local and game management. [1-2-1]

The official scorer and timer for all state series games must be at least 18 years of age.

4.047 Awards

Plaques shall be awarded to the regional and sectional winner, and trophies to the champion, runner-up, third, and fourth place winners at the state final competition.

Twenty-three individual awards will be presented to the first, second, third, and fourth place team winners in the state final competition.

4.050-----BOYS WRESTLING

4.051 Regional, sectional, and state level competition shall be held. Regional and sectional competition sites will be assigned by the IESA Office. If a regional or sectional site is not assigned by the IESA Office, then schools assigned to that regional/sectional may contact the IESA Office to indicate their willingness to host a state series contest. Actual state series competition dates shall be in accordance with the IESA calendar. Seeding shall be done at the regional seeding meeting. Bids for regional, sectional and state tournament sites shall be forwarded to the IESA Office. See Sections 4.057 for seeding procedures. Schools offering to host a regional or a sectional must use digital scales to conduct weigh-ins.

4.052 Season Limitations

No member school participating in the IESA Wrestling State Tournament Series shall organize, hold tryouts, or practice prior to Monday of Week 22 in the IESA standardized calendar.

A member school may conduct its first interscholastic contest in boys wrestling no earlier than Monday of Week 23, and its last interscholastic contest in boys wrestling no later than Saturday of Week 39 in the IESA standardized calendar.

Only schools which have an established school team which has played at least three (3) interscholastic contests prior to the regional seeding meeting in that sport during the current season may participate in team competition in Association-sponsored meets or tournaments.

4.053 Team Limitations

No boys' wrestling teams representing a member school shall, in any one season exclusive of the IESA series, participate in more than:

- (a) 15 dates and 1 tournament; or
- (b) 14 dates and 2 tournaments; or
- (c) 13 dates and 3 tournaments; or
- (d) 12 dates and 4 tournaments; or
- (e) 11 dates and 5 tournaments.

A regular season interscholastic date shall be defined as a date where either two or three (sometimes four) teams are competing and it is not a bracketed format. A regular season tournament shall be defined as a date where opponents are determined through a bracketed format.

A wrestling team representing a member school is further limited to a maximum of 25 regular season matches (Dual Meets), exclusive of all regular season tournaments.

All interscholastic competition shall be considered a match.

Illustrations for Section 4.053

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. Does a scrimmage qualify as a date?

A. Yes. An interscholastic scrimmage is considered a date, must count toward your total date limitation, and should be reported on your regular season schedule.

Q. Is there a limit as to the number of dual meets in which my team may compete?

A. Yes. A team is limited to 25 dual meets and further limited to the number of dates and tournaments as detailed in the By-Law. For example, a school hosts a super dual invitational on a Saturday. There are six schools in attendance meaning each school will wrestle five dual meets that day. The five dual meets count toward the maximum of 25 dual meets that are allowed.

4.054 IESA State Tournament Team Limitations

Each member school is eligible to enter one team, consisting of no more than two contestants in each weight class.

A member school may elect to enter one or two individuals in one to eight of the weight classes without being eligible for team awards.

During the state series, all teams shall weigh-in together with their coach present. If even one wrestler is absent, the team shall wait until all members are present before they begin their weigh-in. If a wrestler fails to make weight at the regional meet, the wrestler cannot move up to the next weight class and must be scratched. No contestant listed on the Regional Entry Form can replace him, but another certified contestant who has not been listed on the Regional Entry Form may. Another certified contestant who has not been listed on the Regional Entry Form may also be used as a replacement for listed regional contestants who are ill, injured, or ineligible for competition on that day. No re-seeding will be done when a contestant is scratched. However, wrestlers may be switched after seeding if it necessary to balance the brackets when a seeded wrestler scratches.

Weigh-ins for the state series may be conducted as a team as opposed to weight class. No state series host shall make a weight scale available to check weight before the actual weigh-ins begin. *No school may bring a scale to a state series site to check weight prior to the official weigh-in. A school that checks their weight upon arriving at the state series site will be disqualified from competing if the head official on site is a witness to the checking of weight.*

If a wrestler fails to make the required weight at the regional, sectional, or state meet in the entered class, the wrestler cannot move up to the next weight class and must be scratched.

The following criteria shall be used to determine place finishers at the regional and sectional level in case replacement wrestlers are needed at the sectional and state level:

Regional: The first alternate shall be the wrestler who won the most matches in the championship bracket but failed to qualify as a place winner. Should more than one (1) meet the alternate criterion then the one who was defeated by the highest place winner shall qualify as the alternate and advance to the sectional. *Should no wrestler meet either criteria, then the wrestler who was defeated by the highest place winner shall qualify as the alternate and advance to the sectional.*

Sectional: The first alternate shall be the wrestler defeated in the third place match. The second alternate shall be the wrestler who won the most matches in championship bracket competition but failed to qualify as a third place winner or as the first alternate. Should more than one (1) wrestler meet second alternate criterion then the one winning the most matches in both the championship and consolation brackets shall be the second alternate. However, if two (2) wrestlers remain tied for the second alternate position, the one defeated by the highest placing wrestler shall advance. If the above criterion does not produce a replacement then the third alternate would be the wrestler who loses the first round championship bout to the champion.

Note: It shall be the responsibility of the principal or coach of the wrestler who is scratching to notify the IESA Office that an alternate may be necessary. The IESA office will then contact the alternate's principal or coach that he will replace the regular qualifier. Scratches of wrestlers advancing to the sectional must be reported by 4:00 p.m. on the Thursday prior to the sectional in order for the alternate to advance. Scratches reported after 4:00 p.m. on that Thursday will not be replaced. Scratches of wrestlers advancing to the state meet must be reported by 12 noon on the Thursday prior to the state in order for the alternate to advance. Scratches reported after 12 noon on that Thursday will not be replaced including wrestlers who fail to make weight at the state meet.

A wrestler who has advanced to the sectional or state meet who is too ill to compete, becomes injured or ineligible, or fails to make weight the day of the tournament must be scratched. When the scratch is due to an illness, an injury, or the result of an ineligibility situation, it is the responsibility of the coach to notify the IESA office as soon as possible

prior to the next level of competition. The IESA office will then contact the school administrator of the wrestler who is next qualified, according to criteria listed above to inform him/her that the next qualified contestant can participate in the next level of competition. Scratches of any type reported at the site of the state meet will not be replaced. There are no substitutes at the sectional meet for any scratch reported after 4:00 p.m. on the Thursday preceding the sectional meet. There are no substitutes at the state meet for any scratch reported after 12 noon on the Thursday preceding the state meet.

If there is a replacement at the sectional or the state meet, contestants shall be advanced in brackets. e.g. A wrestler who won the sectional is injured during the week before the state meet and has to be scratched. The fourth-place finisher from the sectional will replace him. The second-place sectional finisher now moves to the first-place bracket slot, the third-place finisher moves into the second-place bracket slot, and the fourth place finisher moves into the third-place bracket spot. At the sectional level, wrestlers will also be advanced in the bracket if a replacement wrestler is used. If a scratch is made at either the sectional or state level prior to the Thursday preceding the contest and the eligible replacement is not available, contestants shall still be advanced until the last qualifying spot is vacant.

4.055 Individual Limitations

Wrestlers are limited to a maximum of 37 matches per season (includes all regular season matches wrestled). Matches wrestled in the state series (regional, sectional, state) do not count toward the 37 match limitation.

Individual contestants shall be limited to a maximum of five matches per day, with a minimum rest period of 45 minutes between each match.

In addition to automatic forfeiture of the contest, should a student exceed the individual limitations listed, the coach of the team shall be ineligible to coach for the next two interscholastic contests at the level where the violation occurred and all other interscholastic contests at any level in the interim.

All wrestlers shall weigh-in before every contest (regular season and state series--no Saturday weigh-in at state finals) Each contestant shall be limited to the maximum weight in each weight class without any extra allowance.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. For a meet held in February I have a wrestler who weighs 91 lbs. Is he eligible to wrestle at the 90 lb. weight class?

A. No. Beginning with the 2009-10 school year, wrestlers are only eligible for the weight class for their actual weight the day of the contest. A wrestler who weighs 91 lbs. would only be eligible at the 95 or 100 lb. class.

Q. I have a wrestler in the 119 lb. weight class that won the regional and has now advanced to the sectional. At sectional weigh-ins, he weighed in at 120 lbs. Does he get to wrestle in the sectional?

A. No. In this instance, the wrestler will be scratched and is ineligible for the sectional. There are no weight allowances throughout the entire year. A wrestler who does not make weight during the state series will be ineligible for the remainder of the state series.

Q. I have a wrestler who has consistently weighed 82-83 lbs. all year. Therefore, he has wrestled at the 85 lb. weight class. The week before regionals, his weight has jumped to 84-85 lbs. Should I list him in the 85 lb. weight class for regionals?

A. Wrestlers do not receive any growth allowance. Therefore, if you list him in the 85 lb. weight class and he advances to the state meet, he must weigh no more than 85 lbs. throughout the state series. As the coach, you must be very aware of your wrestler's weight trends throughout the season so he is placed in the proper weight class for the state series and can make weight for the entire state series.

All wrestlers shall weigh in at each regular season meet and/or tournament.

The first, second, third, and fourth-place regional individual weight class winners shall advance to sectional level competition and the first, second, and third-place sectional individual weight class winners shall advance to state level competition.

All wrestlers with skin conditions must have a skin condition form that is supplied by the IESA completed by a physician.

4.056 Exceptions to National Federation Rules

Contestants shall be required to follow the National Federation rules regarding the uniform. Universal or freestyle singlets are not allowed. [4-1-1]

Weight classes shall be as follows: 65, 70, 75, 80, 85, 90, 95, 100, 105, 112, 119, 126, 135, 145, 155, 167, 185, 215, and 275. [4-4-1; 4-4-2] **PLEASE NOTE THAT THE NFHS RULE ALLOWING A MAXIMUM WEIGHT OF 285 LBS. IN THE HEAVYWEIGHT CLASS HAS NOT BEEN ADOPTED BY THE IESA. THE MAXIMUM WEIGHT FOR THE HEAVYWEIGHT CLASS AT THE IESA LEVEL IS 275 LBS.**

Weigh-in time period may begin two and one-half hours prior to the beginning of a meet. [4-5-1]

Weigh-ins must be conducted in accordance with NFHS rule 4-5-7. Contestants may NOT weigh-in nude. [4-5-7]

The following time limits shall apply to all state series matches and are recommended for all regular season matches:

- (1) First period--one minute
- (2) Second and third periods--one and one-half minutes [6-1-1]

In regular season and tournament competition, the overtime period shall be conducted as follows:

If the score is tied at the end of the three periods, the wrestlers will wrestle an overtime period which will be a maximum of one minute in length. Both wrestlers will be in the neutral position. The wrestler who scores the first point(s) will be declared the winner. If no winner is declared by the end of the 1 minute overtime period, a 30 second tiebreaker will be wrestled. Choice for position is given to the wrestler who scores the first point in the regulation match. The wrestler who scores the first point in the tiebreaker will be declared the winner. If no scoring occurs in 30 seconds the offensive wrestler will be declared the winner and one match point is added to the offensive wrestler's score. If the points earned in the overtime period or tiebreaker involve a takedown or reversal straight to the back, the match shall continue until the near fall or fall situation has concluded.

There are no weight/growth allowances. All regular season contests (duals and tournaments) as well as the IESA state series shall be limited to the maximum weight in each weight class with no extra growth allowance permitted. Wrestlers must make scratch weight at every weigh-in except as noted below. [4-4-4].

If NFHS rule 4-5-5 concerning consecutive days of team competition is met, then wrestlers may be granted the additional allowance per 4-5-5 but only for the consecutive days of competition. Rule 4-5-5 is not in effect for the state series.

Weigh-ins for the state series may be conducted as a team as opposed to weight class. Regional and sectional host schools shall designate a 45 minute block of time to conduct weigh-ins. Weigh-ins for the state series may be conducted as a team as opposed to weight class. ALL members of a team must be present before weigh-ins for that team may begin. [4-5-3]

4.057 Regional Seeding Procedures

It shall be the responsibility of the regional wrestling host to invite the coaches of the participating schools to a seeding meeting on Wednesday prior to the date of the event. No team shall be allowed to participate in the regional without official entries submitted at the regional seeding meeting. Schools not in attendance shall have nothing to say regarding seeding. Any wrestler who is seeded must have at least eight (8) varsity matches completed in order to be a seeded wrestler. Wrestlers who do not have at least 8 varsity matches before the seeding meeting shall not be seeded and must be drawn into their respective weight bracket. Eight (8) contestants in each weight class shall be seeded from entries on the Regional Entry Form in the following manner:

- (a) Head-to-head competition;
- (b) Record against common opponents;
- (c) Overall record of **VARSDITY** matches--include matches wrestled regardless of the weight class;
- (d) Vote by the coaches if the eight seeds cannot be determined through steps a through c above.

NOTES:

- No re-seeding shall be done after all 19 weight classes have been seeded.
- If a weight class has fewer than eight competitors, only the wrestlers who meet the minimum number of varsity matches(8) that are needed to be seeded shall be seeded.
- If a weight class has more than 8 wrestlers but fewer than 8 meet the minimum number of varsity matches determined to be able to be seeded, then only those wrestlers who meet the minimum number of varsity matches needed to be seeded are seeded and the remaining number of wrestlers in that weight class are ALL placed by draw. For example, if the 100 lb. weight class has 12 wrestlers entered but only five of the 12 wrestlers have wrestled 8 varsity matches, then only those five wrestlers will be seeded and the remaining seven wrestlers are all drawn into the bracket.
- It is the intent of the seeding process that only varsity matches shall be considered for the purpose of seeding. Wrestlers must have eight varsity matches completed in order to be seeded.

In the above procedure, if (a) determines all eight seeds, go no further. If it does not, go to (b). If this determines

remaining seeds, go no further. If not, go to (c), then (d).

Once the seeds have been determined, no switching of seeds is permitted. This includes wrestlers from the same school who are seeded that are in the same bracket. On the day of the meet, wrestlers may be switched if it is necessary to balance the brackets when a seeded wrestler scratches.

After the eight seeds have been placed on the bracket chart and the byes drawn in order by seed, the remaining wrestlers shall be placed by draw. Seeds #1, #4, #5, and #8 shall be placed in the top bracket and seeds #2, #3, #6, #7 in the bottom bracket with the exception noted above.

If an individual bracket has more than 16 wrestlers, the following procedure shall be used to seed the wrestlers:

Eight wrestlers shall be seeded using the criteria established. Once the schools of those 8 wrestlers are determined, at least one wrestler from the remaining schools shall have one of their two wrestlers drawn into the 16 man bracket. The remaining wrestlers shall then be drawn into the pigtail matches. Wrestlers who lose the pigtail match are eliminated from the regional and will not be placed in the wrestleback. Seeds #1, #4, #5, and #8 shall be placed in the top half of the bracket and seed #2, #3, #6, and #7 shall be placed in the bottom half of the bracket.

Teams without contestants listed on a Regional Entry Form at the seeding meeting shall be disqualified from regional competition--see By-Law 3.013.

The sectional meet shall be organized on the basis of regional results. The state meet shall be organized on the basis of sectional results.

Seeding shall be done online according to the timeline in the IESA standardized calendar. Actual state series competition dates shall be in accordance with the IESA calendar. No eighth grade regional tournaments will be permitted to be scheduled on seventh grade sectional dates. 4.080-----SPEECH

4.081 The Association shall conduct annual speech contests. The IESA administrator responsible for the activity shall divide all participating schools into as many state areas as necessary to conduct the activity. All contest areas must have a host rotation in place. The following events shall be offered:

4.082 Individual Events

Solo Acting--a theatrical presentation by an individual student. The presentation may be a monologue or a selection in which two or more characters are portrayed.

Poetry--one or more selections of poetry.

Impromptu Speaking--The student will be given two words or phrases from the judge and will then choose one and discard the other. The person will then have eight minutes to write and present the speech. The speaker may use one 3 x 5 note card and a writing instrument. The time will begin when the speaker is given the topics. The speaker may divide the writing/speaking time however he or she wishes. While the speaker is writing, the judge or timer (it is highly recommended that the host school provide a separate timer for this event) will announce the time remaining at one-minute intervals. Once the speaker has begun, the timer or judge will signal by means of upraised fingers or time cards the time remaining, and at the end of the eight minutes by an upraised hand. The speaker then has a grace period of 30 seconds to end the speech. If the speaker speaks beyond 8:30, the performance will be lowered one division rating.

Original Script--The student will present a speech which he or she has written. The speech may be a monologue, poetry, short story, essay, or presentation. All rules and limitations for individual events will apply.

Storytelling-- The student will tell a story from his/her own life experience, from folk literature, from his/her family's oral tradition, or from any other source. Storytelling is unique from most other contest events in that it should have a very spontaneous quality encouraging audience participation/interaction. The presentation should have a clear beginning, middle, and end, and demonstrate the customary attributes of characterization, stage presence, body and facial expression, articulation, pronunciation, fluency, and eye contact. The presentation may include multiple characters and sound effects.

5.050-----PROTESTS, PENALTIES, AND HEARINGS

5.051 All protests or charges of a violation of the Constitution, By-Laws, rules or regulations of the Association shall be reported to the Executive Director in writing or otherwise verified to the Executive Director within 48 hours of the alleged violation. The Executive Director shall have the authority pursuant to Article 1.440 to decide the matter. Such decision may be appealed as provided in these By-Laws.

5.052 In the event a student, parent/guardian, school, or individual against whom or in favor of whom a decision or ruling has been rendered wishes to request a hearing, they shall file such request for such hearing in writing through the principal of the member school involved, with the Board of Directors of the IESA.

5.053 The President of the Board of Directors may appoint a hearing officer or select an Appeals Panel to conduct an appeal. A decision of the Board of Directors or an Appeals Panel shall be final. The decision of a hearing officer can be appealed to the Board of Directors who shall hear and decide the appeal. Only the Board of Directors may hear and decide a matter involving the Constitution or Sections 5.080 and 5.090 of the By-Laws.

5.054 A hearing officer or Appeals Panel will be appointed by the President, or in the President's absence, failure or refusal to act, by the Vice-President to review the ruling of the Executive Director.

- 5.055** When the President of the Board of Directors refers an appeal to an Appeals Panel, the President shall appoint not less than three members of the Board of Directors to constitute such appeals panel and to conduct a hearing on an appeal. The members so appointed shall select a chairperson from among their number to preside at all hearings. Members of an Appeals Panel shall not be from the school or division involved in the appeal. The Appeals Panel shall review all documents or information presented to it, shall decide the matter in accordance with the By-Laws or rules of the Association and provide a copy of its decision in writing to the administrator of the school or student's school involved. A written report of all decisions of the Appeals Panel shall be given to the Board of Directors not less than quarterly.
- 5.056** When a hearing officer is appointed, he/she shall promptly convene a hearing to consider the ruling by the Executive Director. The hearing officer shall review all documents and information provided and may affirm, modify, or reverse the decision of the Executive Director. The decision of the hearing officer may be appealed to the Board of Directors.
- 5.057** The decision of a hearing officer may, upon written request filed with the Board of the IESA within ten (10) days of a decision, be reviewed at a further hearing conducted by an Appeals Panel or the Board of Directors as determined by the President. All interested persons may attend and provide testimony or evidence at all hearings. The decision of the Appeals Panel to affirm, modify, or reverse the decision of the Executive Director or hearing officer shall be final when made.
- 5.058** Protests pertaining to the decision of a game official shall not be subject to a ruling by the Executive Director, Appeals Panel, or the Board of Directors. Principals shall file a report of unsatisfactory performance by game officials with the Executive Director. Such report must set forth the facts and specific charges such as lack of knowledge, error in judgment, improper conduct, or other charges. [See By-Law 2.125]
- 5.059** An administrator of that school shall present the case for a member school at a hearing with a hearing officer or Appeals Panel. A case for an individual may be presented by a student, parent/guardian, or the individual's appointed representative. If an Appeals Panel is called to reach a decision, there will be a fee charged to that member school of \$100.00, plus the actual expenses incurred by the Appeals Panel.
- 5.060** Penalties for violations of the Constitution, By-Laws, or any rule or regulation adopted by the Board of Directors shall be in accordance with the Constitution, By-Laws, rules and regulations of the IESA. The Executive Director shall have full authority to determine and impose any penalty, including suspension or expulsion, for a period not to exceed one year. The findings of any investigation conducted by the Executive Director shall be made known to the administrator of the school or student's school alleged to be involved.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. What course may I take when all hearing procedures have been exhausted and I am still not satisfied with the decision of the Appeals Panel?

A. The decision of the Appeals Panel is final. If still not satisfied, you have the option of examining the problem through the courts of the State of Illinois.

Q. In addition to the \$100 charge for an appeal, what other expenses might I expect to pay?

A. If an appeal is heard via a telephone conference call, you could expect to pay at least \$300 for the cost of the telephone conference call. If the Appeals Panel should actually meet to hear the appeal, then the party requesting the appeal would be responsible for paying the round-trip mileage to the hearing site and meal costs for the members of the Appeals Panel.

5.070-----FORFEITURE OF CONTEST

5.071 The use of any ineligible participant in any interscholastic game or contest shall make the forfeiture of the game or contest automatic, and mandatory if won by the offending school. In addition, any individual or team awards won by the school using an ineligible player must be forfeited. The use of an ineligible participant for a non-athletic contest shall result in the forfeiture of any award to be received by those participants. Coaches who allow students to exceed the individual limitations as detailed in Division 4 of these By-Laws shall be subject to a two game suspension at the level where the violation occurred and all other interscholastic contests at any level in the interim.

5.072 Any team which fails to play a scheduled game and forfeits such game is subject to action of the Board of Directors, including penalty, assessments, suspension, or expulsion.

5.073 *A team failing to field the required number of starting players in boys baseball, girls softball, girls or boys basketball, girls volleyball, or scholastic bowl within thirty (30) minutes of the scheduled game time shall forfeit the game. A game or match that is played even though the school failed to field the required number of starters within thirty (30) minutes of the scheduled game time cannot be protested for that reason.*

5.074 State series contests in girls softball, boys baseball, girls basketball, boys basketball, and girls volleyball shall not be forfeited due to weather. If the administrator of any participating school determines the team cannot reach the tournament site due to weather, or if the tournament manager makes the decision that all contests scheduled on a given day shall not be held because of weather, the host school shall reschedule the game(s) and adjust the remainder of the playing schedule as necessary. Other contests scheduled on that date may still be held.

Teams that cannot attend a golf sectional or state finals, a cross country sectional or state finals, a wrestling regional, sectional, or state finals, the bowling state finals, a scholastic bowl regional, sectional, or state finals, or a track sectional or track state finals due to weather may forfeit without penalty. However, only when a majority of the schools scheduled to compete in the contest are not able to participate due to weather will the contest be rescheduled. Should weather cause a delay or postponement in any state final activity, it is the responsibility of the IESA along with the respective host school to reschedule the contest.

5.075 Any coach or school official who withdraws a team from the field of play under any circumstances prior to the official completion of the game shall forfeit all rights to protest, except when the principal of the forfeiting school believes circumstances which affected the health, safety, or welfare of the students required such action. The principal may file a protest under the provisions of Division 5 in these situations.

5.076 If a coach is ejected and there is not another coach present to assume coaching duties who meets the guidelines for qualifications of athletic coaches as set forth in By-Law 2.110, the game must be forfeited.

Illustrations for Section 5.070

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. A conference tournament or regular season game is scheduled on the same night as the IESA regional. How should we proceed?

A. IESA competition takes preference over any regular season or other tournament play. Teams that would forfeit a state series contest are subject to the provisions of By-Laws 5.029 and 5.072.

Q. As a regional tournament host, should I notify the other team before they leave home when their opponent has forfeited in advance?

A. Yes. It is not necessary for a team to correctly appear on the game area at the correct time and before forty-five minutes have elapsed if it is known in advance that their opponent is forfeiting the contest. Administrators should use good judgment in making decisions to notify other teams of declared forfeits.

Q. Can the coach of a girls volleyball team call the tournament host to tell him they are unable to appear due to bad weather?

A. It is valid only when done by a school administrator.

Q. As a state tournament host, what is my responsibility in scheduling when a cancellation becomes necessary due to weather conditions?

A. Contact the IESA Office immediately.

Q: One of the teams that is scheduled to play in my sectional is late. There has been no contact from that school. What do I do?

A: The game will be forfeited if the school is not dressed and ready to play within 30 minutes of the scheduled starting time.

Q: One of the teams that is scheduled to play in the first round of my regional has called to indicate their bus is having mechanical problems. They believe they will be an hour late. What do I do and what is my next step?

A: The game will be forfeited if the school is not dressed and ready to play within 30 minutes of the scheduled starting time. While it is unfortunate the team will be late because of bus problems, to continue delaying the regional will only cause problems for the teams who are scheduled to play later in the day and officials who are scheduled to work that day as well. If the school arrives 30 minutes after the scheduled start time, the contest should be declared a forfeit, the host school should notify the IESA office, and the next game should be played at the scheduled start time.

Q: My sectional basketball game was scheduled for 6:00 p.m. One of the schools scheduled to play in the contest has called and indicated they have had bus problems and will be arriving at 6:25 p.m. Should this game be forfeited?

A: No. Schools have 30 minutes from the scheduled start time to arrive at the site. Since contact has been made between the host school and the school that will be late, the game shall start no later than 6:30. There would be at most 5 minutes of warm-up time given to the school who is late as the game may not start later than 30 minutes from the scheduled start time.

Q: Whose responsibility is it to declare a forfeit if a team is late?

A: The host manager has the responsibility to declare a forfeit. This is generally the administrator of the host school.

5.080-----BREACH OF CONTRACT BETWEEN MEMBER SCHOOLS

- 5.081** In the event of any emergency, strike, or boycott, every effort should be made by both parties to resolve the breach of contract by mutual consent. If agreement cannot be reached, the school which created the breach shall be responsible to fulfill the terms of the contract or be liable to terms of this section. If a contest is not played because a member school complies with the prohibitions of By-Law 2.015 pertaining to a strike, no financial penalty or assessment, other than that which is specified in By-Law 5.082, shall be imposed against the offending school for breach of contract.
- 5.082** In case of strike, the school district on strike shall be responsible for payment of all officials' and/or judges' contracts.
- 5.083** In case of a breach of contract between member schools, the Board of Directors shall have authority to consider and decide any penalty including an award of financial loss which is sustained by the offended school.

Illustrations for Section 5.080

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. When a member school cannot participate in a scheduled contest because it is not in legal session due to a strike, may the contest be rescheduled or must it be canceled and forfeited?

A. A contest which is not played because of a strike may be rescheduled within the provisions of the season and participation limitations of these By-Laws and by mutual consent from both schools. If the contest is not rescheduled and played, the school which could not participate because of the strike must forfeit the contest.

Q. Is a school which cannot play a contest because of a strike obligated to make financial settlement for unrealized revenue with the host school for the contest?

A. No. The provisions of By-Law 5.081 specifically absolves a striking school of such obligations if it complies with the terms of By-Law 2.015, which prohibit it from playing a contest while on strike.

Q. Who is responsible for payment of officials when a forfeit has occurred?

A. The school that caused the forfeit is responsible for payment to the officials. In some cases restitution may have to be made to the host school if the host school has paid the officials and it was the visiting school that caused the forfeit. Example: School A and School B have a game scheduled for Tuesday at 6:00 p.m. School B has requested that the game be moved to 4:00 p.m. on the same date to accommodate a school concert. School A is willing to play earlier but must contract a different set of officials for the earlier starting time. School B is responsible to pay the original set of officials because they were the ones who requested the time change necessitating new officials.

Q. Our baseball (or softball) game has been cancelled because of rain. Do I have to pay the umpires?

A. If the umpires have driven to the site, then generally payment is made. If the school was able to contact the umpires before they left for the contest, payment does not need to be made. **See By-Law 2.127 for postponement/suspension policy.**

Q. I have a set of officials contracted to work two basketball games. Our school lost power and we were not able to play. Am I responsible for paying the officials?

A. In general, yes. Some officials will understand the situation and if you can contract them for the make-up date, they will not expect payment. However, if you cannot contract the same officials, then they should be paid. The officials held the date for you and they should be paid if a new date cannot be scheduled. **See By-Law 2.127 for postponement/suspension policy.**

Q. When a contest is not played because of a strike, how are game contracts resolved?

A. Game officials are contracted by the host school for the contest, and it is obligated to pay officials for contracted games, whether the game is played or not, unless other resolution is mutually consented to by both the school and officials(s). However, in the event of a game which is not played because one of the schools scheduled to play cannot because of a strike, the striking school must either pay the game officials according to the terms of their contracts if it is the host school, or the striking school must reimburse the host school for the terms of the officials contracts if it is the visitor.

5.090-----BREACH OF CONTRACT BETWEEN SCHOOL AND OFFICIAL

- 5.091** In case of breach of contract between a member school and official, either in total or in part, the Executive Director or Board of Directors shall have authority to assess such penalties as they deem appropriate against the offending party.
- 5.092** Member schools of the Association shall contract officials. Contracts may be in either written or in electronic form.

- 5.093** If, in the judgment of the school or official, there are extenuating conditions, a hearing may be held. Written request for such hearing must be submitted to the Executive Director, who shall be responsible for conducting an investigation and hearing.
- 5.094** If an official's contract is made during a given school year for a contest to be played during the next school year and if, in the meantime, there is a change in the school principalship, the contract is valid only if and when the incoming principal has been notified of the existing contract and has sanctioned it or has failed to inform the official of cancellation within one week after the notification.

5.100-----PENALTY FOR VIOLATING RULES

- 5.101** Any player ejected from a contest for unsportsmanlike conduct shall be ineligible for the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any player ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the next two interscholastic contests at the level at which the ejection occurred (and all other interscholastic contests at any level in the interim), in addition to other penalties the IESA or the school may assess. Example: A basketball player is ejected twice during the course of the season. The player is not allowed to participate in the next two contests following the ejection; a player is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That player is not allowed to participate in the next two basketball contests following the second ejection.
- 5.102** *Any coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next two (2) interscholastic contests at that level of competition, and all other interscholastic contests at any level in the interim, in addition to other penalties the IESA or school may assess. Any coach ejected for unsportsmanlike conduct a second time in any activity during the school year, shall be ineligible for all remaining interscholastic contests the day of the ejection and the next five (5) interscholastic contests at the level at which the ejection occurred (and all other interscholastic contests at any level in the interim), in addition to other penalties the IESA or the school may assess. Examples: 1: A basketball coach is ejected twice during the course of the season. The coach is not allowed to attend the next five contests following the second ejection; 2: A coach is ejected one time during the baseball season for unsportsmanlike conduct and one time during the basketball season also for unsportsmanlike conduct. That coach is not allowed to attend the next five basketball contests following the second ejection.*
- 5.103** Any player or coach ejected from a contest for unsportsmanlike conduct who fails to sit out the remaining interscholastic contest(s) as required in By-Laws 5.101 and 5.102 shall cause the team(s) to forfeit that contest and possibly receive other penalties as determined by the Executive Director.
- 5.104** Any school that receives two ejections in a school year (which includes players, coaches, and fans) shall be required to communicate in writing through the school's administration with the Sportsmanship Review Panel on the steps the school is taking to address the issue. The panel may recommend additional sanctions to the Board of Directors if they deem necessary.
- 5.105** The Sportsmanship Review Panel shall consist of an IESA administrative staff member, a member of the sportsmanship advisory committee as well as no less than one member of the Board of Directors.

The following are provided for illustrative purposes only and are neither binding nor to be construed as having the effect of the By-laws or Constitution of this organization. In the event of a conflict, whether actual or believed, between an illustration contained in this section and any by-law or constitutional provision then in effect, the by-law or constitutional provision, as interpreted by the Board of Directors pursuant to Section 1.420 of the Constitution of this organization, shall control.

Q. May a coach who is ineligible for a contest due to a suspension for unsportsmanlike conduct travel with the team to the contest or attend the contest?

A. No.

Q. If a player is ejected from a 7th grade game, when is he/she eligible to participate?

A. A player ejected from a 7th grade contest may not play in the 8th grade contest scheduled on the same evening. Furthermore, whenever the next 7th grade contest is scheduled, the player is required to miss that contest and all contests between.

Q. My coach was ejected from a 7th grade game on Tuesday. Our next 7th grade game is not scheduled until two weeks from that day. Our county 8th grade tournament is scheduled to start this coming Saturday. Is my coach allowed to coach in the 8th grade county tournament?

A. No. The coach is required to miss all contests for the remainder of the day once they have been ejected, the next two contests at the level at which the ejection occurred, and all contests in between. Since your coach was ejected in the 7th grade contest, he/she could not coach the 8th grade county tournament and would have to miss the next two 7th grade contests.

Q. What is the definition of Unsportsmanlike Conduct?

A. Unsportsmanlike Conduct is defined as the following: fighting, verbal abuse/dissent directed toward an official or opponent, racial or ethnic slurs, profanity/obscene gestures, flagrant/violent fouls, taunting/trash talking/baiting, cheating, throwing/abusing equipment, physical intimidation or abuse of an official or opponent, and unauthorized leaving of the team bench.

Q. If a player is disqualified for committing five personal fouls in a basketball game, must he/she sit-out the next contest?

A. No. By-Law 5.101 only applies when players are ejected for unsportsmanlike conduct.

Q. If a girl is ejected for unsportsmanlike conduct from the first game of a softball doubleheader, is she eligible to play the second game of the doubleheader?

A. No. She would have to miss the second game that day.

Q. What is the umpire's/referee's role in enforcing By-Laws 5.101 and 5.102?

A. Game officials are not responsible for enforcing the By-Law. Officials must report the ejection to the IESA Office and the member school within 48 hours of the incident. They should also send a copy of the report to the offending member school.

Q. May players who are ejected for unsportsmanlike conduct travel with the team to the next contest or attend the contest?

A. Yes, but the ineligible player may not dress for the contest.

Q. What happens to a player who is ejected during the regional basketball final and the team loses the regional contest?

A. The ejected player must sit out the next interscholastic contest at that level of competition, and all other interscholastic contests at any level in the interim, in which he or she participates. Example: A 7th grade boy is ejected in the 7th grade regional basketball championship game. The team loses the championship game. This student also plays on the 8th grade team. This boy would not be eligible to play in any remaining 8th grade basketball contests as the 7th grade season is over and the By-Law states he must sit out the next interscholastic contest at that level and all other interscholastic contests at any level in the interim. He would have to miss the first track meet of his 7th grade year assuming he participates in track, If he does not participate in track, then he would have to miss the first contest of his 8th grade year in any interscholastic contest.

Q. Can the decision of the game official to assess an unsportsmanlike conduct penalty be appealed?

A. No. That is a decision of the contest official and By-Laws 2.125 and 5.058 prohibit the decisions of game officials to be appealed.

Q. A coach receives two technical fouls in a game and therefore is required by rule to be ejected from the game. Is the coach required to sit out the next two contests?

A. Yes. Receiving two direct technical fouls is considered being ejected for unsportsmanlike conduct.

Q. When a student is ejected for unsportsmanlike conduct and has to sit out the next game and also becomes academically ineligible for the next game, will the student serve both periods of ineligibility at the same time?

A. No. The student will be academically ineligible for the next week and then the student will serve the penalty for the ejection once the student has regained academic eligibility.

IESA Member School Publicity Policy

Each member school acknowledges that athletic contests and interscholastic competition take place in the public. As such, there is no expectation of privacy in the images of student athletes, coaches or other participants at such events. The IESA and/or its agents or designees may take, distribute and use photographs of student athletes, coaches, officials and other participants at such events and use the same for publicity, marketing and other appropriate purposes, including event programs. The member school will take appropriate actions to notify its student athletes, coaches and participants of this provision.

IESA E-mail Policy

E-mail can be an efficient method to exchange information, request services, ask questions or transfer data 24 hours a day. That is the upside. The downside is an overwhelming demand to get immediate responses to questions e-mailed at all hours of the day and night.

Please note that due to the volume of e-mail messages received on a daily basis, our first priority is to respond to our member schools and contest officials. Emails from member schools and contest officials will be answered as quickly and as efficiently as possible. Emails from all other parties will be answered as time permits.

General public email messages regarding the performance of contest officials will not receive a response.

E-mails from the general public requesting eligibility rulings or rule interpretations should be directed to the principal or athletic director of your local school before contacting the IESA. PLEASE NOTE: The IESA member school is our constituent -- we may share your correspondence with the school administration. Emails must include the full name, mailing address and telephone number of the sender within the message.

IESA Severe Weather Safety Guidelines

When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Take shelter immediately.

Lightning is one of the most consistent and underrated causes of weather-related deaths or injury in the United States. Nearly all lightning-related injuries occur between the months of May and September and between the hours of 10:00 a.m. and 7:00 p.m. Therefore, the greatest concern for injuries in an outdoor contest appears to be during that time, though it can happen any time of year.

It is essential that host schools, competing schools, and contest officials establish dialogue in advance of the contest or event to ensure that all involved are aware of what the plan will be in determining whether or when to suspend play. Host schools are encouraged to share their plan with competing schools and officials prior to the start of the tournament.

Advance Planning

Local Managers should have a documented plan in place, designated people who are responsible for monitoring the weather and a qualified person (typically a trained manager and/or officials) to make the decision to suspend play. In state series competitions, the host school administrator or official(s), if assigned, can make the decision to suspend play.

Monitoring Weather

Local Managers during the contest should be aware of any potential thunderstorms that may form during the competition; if an evacuation is needed, managers should also know how long it would take teams to get to their safest location. Monitoring the weather with a weather alert radio, or with lightning detection systems, or any other available means, is recommended.

If competing schools have portable devices they will be bringing to a contest and have specific policy or directions from their administration that they must follow, the school must communicate those policies with the host school. Host schools must know the policies of each school assigned to their tournament prior to its start.

Lightning Awareness

Generally speaking, it is felt that anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is already present. It is time to seek shelter.

Criteria for Suspending Play

If the local management does not have commercial weather warning equipment at the site or an efficient method of making an accurate, timely decision on location, listening for thunder is the best way to mitigate the danger. If thunder is heard, or lightning is seen hitting the ground, the thunderstorm is close enough to strike in your location. According to the National Weather Service, lightning can strike 10 miles away from the parent thunderstorm. When thunder roars, go indoors! It is important that local manager monitor not only how far away the lightning is but also how fast it is approaching. Thunderstorms can form and move quickly and danger can arrive quickly.

Either host school administration or assigned contest officials have the authority to suspend or cancel interscholastic contests. It is recommended that those groups work together in making such determination and use any and all available information in doing so. Participating schools with concerns at particular events should direct those to the host school management or assigned contest official.

The following guidelines should be followed in determining when to suspend an event:

1. Anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is present, and a contest should be suspended. At that point, the 30 minute rule for resumption should go into effect.

Note: Due to the layout of some outdoor facilities, contest officials or tournament managers may not be able to see lightning actually "strike the ground." However, whenever lightning is seen moving out of clouds towards the ground, it can be assumed that the lightning is striking the ground somewhere, and as a result, the contest should be suspended.

2. If lightning or thunder is not present but the weather is starting to become ominous, tournament management and/or contest officials should use all available information to determine if and when a contest should be suspended.. Care for both participants and spectators should be taken into account at this point. If in doubt, contest officials or tournament managers are encouraged to exercise caution and suspend play. Tournament officials should be ready to implement their emergency plans. However, competing schools who pull their teams or athletes off the field of competition prior to a contest or event suspension do so at the risk of forfeiture or disqualification from the game or event.
3. Suspended contest or events should be resumed at a time when the weather and/or field conditions allow for resumption.

Evacuation Plan

Safe Areas: All personnel, athletes and spectators should be clearly informed of available safe structures or shelters in the event a thunderstorm approaches. A safe structure is any fully enclosed building frequently used by people. In absence of that - athletes and spectators should go to any vehicle with a hard metal roof. Roll up the windows and do not touch the sides of the vehicle. If no safe structure or vehicle is available, find a thick grove of small trees surrounded by taller trees or a dry ditch. Assume a crouched position on the ground with only the balls of your feet touching the ground. Wrap your arms around your knees and lower your head. Minimize contact to the ground since lightning often travels through the ground.

Avoid: Tall trees or objects like light poles or flagpoles, individual trees, standing pools of water and open fields. Also avoid being the highest object on the field. Do not take shelter under trees. Avoid bathrooms if another building is available, and do not use a land-line telephone. A cellular phone or portable phone is a safe alternative if in a secure shelter or vehicle.

Resuming Activity

The NSSL (National Severe Storms Laboratory) recommends that everyone should wait at least 30 minutes after the last flash of lightning or sound of thunder before returning to the field or activity.
