What is This Conference About?

Learn about the latest research on bullying and cyberbullying issues facing adolescents today. Dr. Justin Patchin is a lead researcher on this topic. Erika Harold and Mark Brown are strong advocates of the need to change our schools climate that foster bullying. Brian Schwartz, IPA General Counsel, will discuss what schools must legally do to protect students. B.J. Paris will talk about the serious consequences of bullying. Finally, Baseball Hall of Famer, Lou Brock will talk about his efforts to help parents protect their children from cyberbullying.

Topics Covered:

- Current research statistics on bullying and cyberbullying
- Texting and Social Networking
- Students committing suicide
- Alternatives to address bullying
- How to prevent cyberbullying

Who should attend?
