

Regional Reminders

Please keep the following items in mind as the host for the regional:

Be sure the outfield grass is mowed (infield grass as well if the site has a grass infield).

Base lines, batter box, and outfield foul lines properly and clearly chalked.

Be sure holes in the pitching mound and batters box have been filled in and "stomped down".

Provide water for players AND umpires.

Fences and back stops are safe. This may not be the easiest item to correct but back stops should not allow a ball to roll through the back stop when a catcher misses the ball. If the back stop is in need of repair, the hosts should fix the back stop prior to hosting.

An administrator on site who can tend to problems should they arise is the key to handling situations.

Please be sure restrooms are in working order.

The host should provide the book and an official scorer for all games.

It is the host's responsibility for proper supervision, especially for umpires after the contest.

Even if you are not playing in a given contest please understand that you still are the host and you are exactly that--a "host" school that is responsible for the regional contest.

Report scores in a timely manner on the IESA website.
