

Scholastic Bowl

How to build a PROGRAM!

Obstacles exist in your school!

In my school, the following exist...

Track	Band	Mathletes
NJHS	Soccer	Builders Club
Robotics		

Obstacles exist in your school!

Advertise!

(Announcements wherever and whenever).

Control the message! Will anyone know what 40 points means?

Faculty involvement (Staff vs. Scholastic Bowl)

It takes a village!

Parents, I have a job for you!

Hey, remember that PTIA? Know any good ways to boost our funds.

Does your school account earn interest? Be smart with your money.

Practice makes perfect!

What are your talents?

Virtual field trips?

How about a game show practice?

Use your obstacles as a way to practice.

Practice makes perfect!

Practice is a MINDset.

Practice matches are necessary...STRATEGY! Who wants to be a Captain?

Players coach...Players choose.

Final Thought...

How will you win, if there is no one to play?

We are in this together!

We are as strong as our weakest team, not our strongest team.

If you're new, take it serious. You'll be glad you did.

If you're not new, please lead! Nothing beats a packed room full of sweaty participants and audience members all on the edge of their seat...over knowledge!
