**The IESA Bowling Advisory Committee makes the following recommendations to the IESA Board of Directors for its June 17, 2022 meeting:**

**Recommendation #1**

**Proposed:** Move back the roster deadline to the Monday before the sectional.

**Current:** The roster deadline is a full two weeks (Friday) before the sectional.

**Rationale:** Coaches feel that the deadline is extremely early, causing coaches to have to declare who is on their roster before they have had a chance to work with their bowlers. Coaches feel that giving them another week with their bowlers will give them a better idea of whom their top bowlers are.

**T & C** Section II

**Board Action:** **APPROVED**

**Recommendation #2**

**Proposed:** Expand the roster to 8 individuals. Teams will still only have the option to bring 6 total bowlers to the sectional and state.

**Current:** Teams are only allowed to list 6 individuals on their roster, 4 starters and 2 Substitutes.

**Rationale:** Many coaches feel that they do not have enough time with their teams to determine who the top 6 bowlers are.
